Turning smart girls golden; the women's guide to personal finance Rebranding finance with a feminine spin, *It's Your Money, Honey* is designed to encourage women of all ages to take a greater in-

terest—and play a greater role—in the financial issues that affect their everyday lives and financial futures. Conversational, irreverent, and intelligent, this guide to wealth creation, wealth management, and financial protection as it relates to women and their families provides exactly the kind of advice that smart women today need to know in order to take charge of their finances. Organized by decade and the event—s—from childrearing to retirement—that need to be planned for, presently enjoyed, or recovered from, *It's Your Money, Honey* is packed with expert information in the no-nonsense style of a girlfriend who knows her stuff. Finances aren't that hard, you just have to deal with them yourself. Finally, a book that understands that every woman needs to make time for a personal finance education Highly accessible, the book is designed to be read whenever you find yourself with a spare second, providing important information in bite sized chunks Helps women prepare for major life events with the help of real life stories, helpful checklists, and easy-to-apply Golden Rules Born out of the notion that too many smart

women let their financial situations be ignored, swept under the rug, or dictated by others, *It's Your Money, Honey* is everything you need to know about money but were too busy to ask. www.goldengirlfinance.ca

What does a woman want to do when she retires? Travel? Pursue hobbies? Spend time with friends and family? We all have dreams about what those days will be like. But when it comes to turning those dreams into reality, women's retirement confidence and know-how is low. According to a 2012 survey, 92 percent of women of all ages in this country don't feel they're educated enough to reach their retirement savings goals. For the woman who doesn't know where to start or would like a knowledgeable guide who speaks her language, financial expert Mary Hunt offers a comprehensive but approachable resource for saving and planning for retirement. Whether she feels entitled to retire at age 65, hopes she'll be able to stop working someday, or is convinced she'll never be able to retire, every woman will find real help in these pages. With her signature no-nonsense, energetic

ic style, Hunt assures women that it's only too late if they don't start now. She clearly covers every aspect of retirement planning during every season of a woman's life, giving women the confidence they need to shape their futures.

Whether single, married, divorced or widowed, every woman needs to know the basics of financial planning and personal finance so you can make informed - and smart - financial decisions. This book takes away objections to learning about personal finance by explaining complex concepts in simple terms along with examples. From this book the reader will not only learn how money works, she will learn how to customize the information to her personal situation so she can make smart - and informed - decisions. Unlike most books on personal finance, this is not another self-help, fad advice of the day or one-size-fits-all book. Utilizing a "whole-istic" approach, this book shares money concepts that have stood the test of time that will serve the reader for a lifetime. The author, a Certified Financial Planner with more than 25 years of experience, wrote the book for women seeking unbiased financial information.

Your thirteen month undated planner includes ample room to jot down your projects and plans for a given month. Undated means you're in control! Why waste money on a planner that tells you when to start and stop using it. With this design, you can start using it any day of the year. Want to start using it in September? No problem. Each month includes a helpful tip and throughout the planner are stylishly written motivational quotes in a charming calligraphy style. Starting new daily habits can be tough. That is why we have included a handy habit tracker page for each month to visually track your goals. Want to drink green tea every

day? Just enter it on one of the sections and each day you you complete this goal, mark it off on the corresponding date of the habit tracker. Or maybe you want to ditch a bad habit, such as smoking. The enclosed monthly daily habit tracker works with you in the same way. Just enter the bad habit goal onto one of the sections and each day that you don't smoke, mark it off on the corresponding spot of the tracker. Use the daily habit tracker any way you see fit. You are in control! Features include: large format 8.5" x 11" softcover matte Beautiful Gold and Black Asian Art Inspired cover pattern monthly daily habit tracker to help you stay on board with your new goals, big or small! monthly undated format for thirteen months. Start whenever you want! monthly sections also include a full size page for note taking throughout the month, when you need more space than the monthly calendar overview can provide A section in the back of the planner to store contact information for VIPS in your life

DIVBased on Emily Schuman's popular lifestyle blog of the same name, Cupcakes and Cashmere

is the must-have guide for those looking to establish their own sense of style, organize and decorate their home, or throw an easy and stylish party. Organized by season, the book expands on Schuman's blog by including DIY projects, organization tips, party-planning ideas, beauty how-tos, and seasonal recipes. Cupcakes and Cashmere features original material that has not been previously published on the site. With her signature photographic layouts, Emily creates a lifestyle that is chic and achievable for every reader, making this the ultimate style guide for living a fashionable life. Praise for Cupcakes and Cashmere: "Inspiration for anyone looking to update her wardrobe, decorate her home, or throw a fab party." —Shape magazine /div

You're smart. So don't be dumb about money. Pinpoint your biggest money

blind spots and take control of your finances with these tools from CBS News Business Analyst and host of the nationally syndicated radio show *Jill on Money*, Jill Schlesinger. "A must-read . . . This straightforward and pleasingly opinionated book may persuade more of us to think about financial planning."—Financial Times Hey you . . . you saw the title. You get the deal. You're smart. You've made a few dollars. You've done what the financial books and websites tell you to do. So why isn't it working? Maybe emotions and expectations are getting in the way of good sense—or you're paying attention to the wrong people. If you've started counting your lattes, for god's sake, just stop. Read this book instead. After decades of working as a Wall Street trader, investment adviser, and money expert for CBS News, Jill Schlesinger reveals thirteen costly mistakes you may be making right now with your money. Drawing on personal stories and a hefty dose of humor, Schlesinger argues that even the brightest people can behave like financial dumbasses because of emotional blind spots. So if you've saved for college

for your kids before saving for retirement, or you've avoided drafting a will, this is the book for you. By following Schlesinger's rules about retirement, college financing, insurance, real estate, and more, you can save money and avoid countless sleepless nights. It could be the smartest investment you make all year. Praise for *The Dumb Things Smart People Do with Their Money* "Common sense is not always common, especially when it comes to managing your money. Consider Jill Schlesinger's book your guide to all the things you should know about money but were never taught. After reading it, you'll be smarter, wiser, and maybe even wealthier."—Chris Guillebeau, author of *Side Hustle* and *The \$100 Startup* "A must-read, whether you're digging yourself out of a financial hole or stacking up savings for the future, *The Dumb Things Smart People Do*

with Their Money is a personal finance gold mine loaded with smart financial nuggets delivered in Schlesinger's straight-talking, judgment-free style."—Beth Kobliner, author of *Make Your Kid a Money Genius (Even If You're Not)* and *Get a Financial Life*

Harness the power of your money with a 21st century mindset The speed at which the world is evolving is compounding exponentially each day, leaving individual investors wondering how to appropriately plan for their financial future. The financial norms that helped prior generations retire with grace are quickly evaporating or have already been replaced with new difficult realities. *Money Mindset* is an expert-led guide to growing your wealth, protecting your wealth, and transferring your wealth to future generations. Written by a third generation financial planner who is also an adjunct finance professor at the W.P. Carey School of

Business at Arizona State University, *Money Mindset* helps readers understand important financial concepts and theories of the 21st century. The science and psychology of money The 'WHY' of personal financial management The rule of 72, asset allocation, dollar cost averaging, and the erosive effects of inflation How to manage a diverse investment portfolio to minimize macroeconomic vulnerability How to create a legacy through proper estate planning *Money Mindset* explores the idea that money can be looked at as an energy source. In order to truly harness its powers, one must acquire and maintain a certain money mindset. Everyone wants financial independence—having enough money to consistently fuel their everyday life. *Money Mindset* clears a path through the increasingly convoluted and ever-changing world to show how to finally become financially secure.
