The world is blindfolded by two systems known as the lunar calendar and the Gregorian calendar, and both are giving inaccurate timelines for archaeological discoveries, radiocarbon dating and your actual age. You Are Younger than Your Age seeks to clarify any doubts about your actual age and the age of the other worlds. It offers

comprehensive information about creationism and spirituality, as well as the functioning of the other distinctive worlds. For example, Jerusalem is situated in the center of Africa and not the Middle East as previously thought. This guide is simple to follow and guides you to an understanding of the twenty-one-year cycle of the moon and sun. It portrays accurate facts, calendars, charts, and figures. There is no climate change or global warming. The Antarctica is not completely mapped, and a new crafted world map is urgently needed. Changes mean hope for future generations. The book is supported by the scriptures in the Bible, and it is full of comprehensive information about creationism and spirituality. Finally, it can lead you to the beacon of a divine light.

The book of Enoch was the first book ever written in any language. The language was described as the heavenly language; which today we know it as Hebrew. Hebrew was also the language of the first humans and all living things before the fall of man at the Garden of Eden. But because of the distribution of languages during the Tower of Babel; Hebrew was forgotten un-

til the lifetime of Abraham. Abraham was taught the language by angels of God and he revive the Heavenly language upon the Earth. So, now days there will be other languages that will test more ancient then Hebrew through discoveries of things that have a written language upon it; that can be carbon tested for age; unless we can find the original books of Enoch; but until now only translations of the book have been found in other languages. In the Dead Sea scrolls the book of Enoch was found within the books revered as the books of the old testaments that were dated from 404 to 203 BCE. What they found was only a copy of the book and not the original. According to what language the manuscript is found; the rewriters gave the God of their religion the credit of being God creator; but the world knows that only the God of Israel had angels with the name of Michael, Gabriel and Ariel. All others have been copycats and have tried to include the names of what they call their own angels and gods and beliefs into the book of Enoch.
