"Intention is a force in the universe, and everything and everyone is connected to this invisible force." Intention is generally viewed as a pit-bull kind of determination, propelling one to succeed at all costs by never giving up on an inner picture. In this view, an attitude that combines hard work with an indefatigable drive toward excellence is the way to succeed. However, intention is viewed very differently in this book. Dr. Wayne W. Dyer has researched intention as a force in the universe that allows the act of creation to take place. This book explores intention-not as something you do but as an energy you're a part of. We're all intended here through the invisible power of intention. This is the first book to look at intention as a field of energy you can access to begin co-creating your life! Part I deals with the principles of intention, offering true stories and examples showing how to make the connection. Dr. Dyer identifies the attributes of the all-creating universal mind of intention as creative, kind, loving, beautiful, expanding, endlessly abundant, and receptive, explaining the importance of emulating this source of creativity. In Part II, Dr. Dyer offers an intention guide with specific ways to apply the co-creating principles in daily life. Part III is an exhilarating description of Dr. Dyer's vision of an individual connected at all times to the universal mind of intention.

This day book is a resource that will enrich your life every day of the year. It offers 365 short but profound spiritual thoughts, one to inspire each day of the year. The quotations of the day have been gathered from people who have devoted their lives to the spiritual path and specially chosen to provoke thought and encourage inner development. But they are far from esoteric or difficult to understand. The quotations address the issues we all struggle with daily: stress and negativity, how we organize our lives and make the best decisions, the joys and difficulties of connecting with others and the nature of love. Organized as one day per page, each day's thought is followed by a short contemplation, practice or project, with space to write your own thoughts and

chart your inner journey through the year. The beauty of wisdom is that it is timeless and simple; there is no calendar element to the book and so you can start using it at any point in the year. Whether you need to cool the mind or warm the heart, let this inspired collection of wisdom and insight be your guide through the year.

So teach us to number our days that we may get a heart of wisdom. Psalm 90:12 A Heart of Wisdom is a timely devotional of inspiration and encouragement. Tena walks the reader through the Bible day by day. Each page contains calendar dates, helpful Biblical quotes, and a journaling space to record thoughts and personal reflections. A Heart of Wisdom emphasizes verses that encourage the reader to grow in wisdom. The reader will encounter a deeper faith and relationship with God as she journeys through this practical book. Tena feels that she has a dual calling. As an author, she designs useful books for busy women who desire to grow in faith, hope, and love. As a speaker, Tena aspires to touch her audience through sharing heartfelt personal stories and Biblical truths to help women connect with God. Her passion for connecting with women and helping them build lives full of faith, hope, and love is woven throughout all her writings, which include her books, blog, website, and inspirational quotes on social media. In addition to A Heart of Wisdom, Tena has published Hidden in My Heart which focuses on a verse a day beginning with Genesis in January and ending with Revelation in December. She has also published A Heart of Praise which has the same format as A Heart of Wisdom and Hidden in My Heart but emphasizes verses that encourage the reader to praise the Lord. Visit [tenadegraaf.com](http://tenadegraaf.com) to learn more about Tena's dual calling of writing and speaking.

This collection of daily thoughts to nourish the soul from the world's sacred texts by Leo Tolstoy feature gems of inspiration and wisdom—author Thomas Keneally calls this book “transcendent, and that we are grateful he lived long enough to endow us with his grand inheritance.” This is the first-ever English-language edition of the book Leo Tolstoy considered to be his most important contribution to humanity, the work of his life's last years. Widely read in pre-revolutionary Russia, banned and forgotten under Communism; and recently rediscovered to great excitement, *A Calendar of Wisdom* is a day-by-day guide that illuminates the path of a life worth living with a brightness undimmed by time. Unjustly censored for nearly a century, it deserves to be placed with the few books in our history that will never cease teaching us the essence of what is important in this world.

During the last years of his life, Leo Tolstoy kept one book invariably on his desk, read and reread it to his family, and recommended it to all his friends: a compendium of wise thoughts gathered over the course of a decade from his wide-ranging readings in philosophy and religion, and from his own spiritual meditations. It was banned under the Communists, and only one volume, *A Calendar of Wisdom*, drawn largely from the writings of other famous thinkers, has been published before in English. *Wise Thoughts For Every Day* is the volume comprising Tolstoy's own most essential ideas about spirituality and what it is to live a good life. Designed by Tolstoy to be a cycle of daily readings, this book offers thoughts and aphorisms for every day according to a succession of themes repeated each month—such as God, the soul, desire, our passions, humility, inequality, evil, truth, happiness, prayer, and the blessings of love. At once challenging, comforting, and inspiring, this is a spiritual treasure trove and a book of great human warmth.

The Lord established a calendar. His calendar. The Hebrew calendar. He has not changed it or gotten off of it. We have. Hidden like a treasure beneath the surface of our modern-day Gregorian calendar, lies a timepiece of *The Ancient of Days*, one which the enemy has tried to alter. "He (Satan) will speak out against the Most High and wear down the saints of the Highest One, and he will intend to make alterations in times and in law." Dan 7:25 Are you feeling worn down lately? It probably has to do with how you are observing time. However, now you know who has been behind it. Nevertheless, we do not lose heart. We are encouraged because time is good, for He created time. The Lord is outside of time. He redeems time and has made time for us and for His purposes. As you open this calendar and journal, you will discover... How The Lord established and keeps time, The Lord's appointed times and why He set them, The Hebrew months and how they correspond to the Gregorian calendar, The prophetic characteristics embedded in each month, A practical way to record your prayers and praises His prophetic timing manifesting in your life. May this calendar and journal revive you with His hope and revelation and draw you closer to the Lord, who created you and time itself. Truly our times are in His hands. "So teach us to number our days, that we may present to You, a heart of wisdom." Psalm 90:12

*Biblical Timeline to Faith* deciphers biblical prophecies while presenting the dates in the Bible alongside the Gregorian and Julian calendars. Jesse H. Carter, who has been studying the Bible for twenty years, reveals the date Christ was born, the date of creation, the date of Christ's crucifixion, the date Israel left Egypt, and the dates Satan was bound in and loosed from the bottomless pit. He also lays out the seventy weeks of prophecy and explains how the number of the beast is calculated. The author also observes that fear for one's eternal soul is the first step to faith. It is this fear that motivates us to get to know God. Fear is the beginning for all of us who seek God—and wisdom is the result. Filled with calendars charts, and figures to explain exactly when events occurred in the Bible, this book will serve as a valuable resource for

Christians, scholars of history, and others.

The enchanting town of Sawyerton Springs does exist. New York Times best-selling author Andy Andrews has found it in the hearts of those who long to take a deep breath, relax, and take the time to find the humor and meaning in everyday life. There's a little bit of this small town in all of us - a place apart, "behind the times," inhabited by a cast of characters we seem to have known for years. The sounds, smells, colors, and textures of Sawyerton Springs are within you - an instinctive, almost mystical longing for a simpler time. In Sawyerton Springs, everyday occurrences are assigned a calm purpose. The town has no lawyers - it doesn't need any. The local paper comes out weekly, and everyone already knows what it says. Email, the Internet, computers, faxes, cell phones, microwaves, cappuccinos, call waiting, and caller ID don't exist here. The town has no traffic lights - there aren't enough cars to warrant any. This is a story that reflects upon the seemingly ordinary parts of our everyday lives - and how they are actually extraordinary parts of something much greater. Savor the time you spend in Sawyerton Springs. You might just find another hometown you want to claim as your own!
