The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

SUVs have taken over America's roads. Ad campaigns promote them as safer and "greener" than ordinary cars and easy to handle in bad weather. But very little about the SUV's image is accurate. They poorly protect occupants and inflict horrific damage in crashes, they guzzle gasoline, and they are hard to control. Keith Bradsher has been at the forefront in reporting the calamitous safety and environmental record of SUVs, including the notorious Ford-Firestone rollover controversy. In High and Mighty, he traces the checkered history of SUVs, showing how they came to be classified not as passenger cars but as light trucks, which are subject to less strict regulations on safety, gas mileage, and air pollution. He makes a powerful case that these vehicles are even worse than we suspect--for their occupants, for other motorists, for pedestrians and for the planet itself. In the tradition of Unsafe at Any Speed and Fast Food Nation, Bradsher's book is a damning exposé of an industry that puts us all at risk, whether we recognize it or not.

With profiles and reviews of more than 150 new domestic and imported cars and passenger vans, this reference is every car buyer's dream--and the smart buyer's guide to the best deals on wheels. Dieser Inhalt ist eine Zusammensetzung von Artikeln aus der frei verfügbaren Wikipedia-Enzyklopädie. Seiten: 26. Kapitel: Jeep Grand Cherokee, Jeep CJ, Jeep Wagoneer, Jeep Jeepster, Jeep Commander, Jeep Wrangler, Jeep Cherokee, Jeep FC, Arab American Vehicles, Ford M151 MUTT, Jeep DJ, Jeep Compass, Jeep Patriot, Jeep Truck, Jeep Gladiator, Jeep Honcho, Jeep FJ, Jeep SJ. Auszug: Der Jeep Grand Cherokee ist ein Geländewagen der Oberen Mittelklasse, der von der Jeep-Division von Chrysler hergestellt wird. Der Grand Cherokee für Europa entsteht bei Magna Steyr in Österreich. Der Grand Cherokee wurde eigentlich aus dem kleineren Jeep Cherokee entwickelt. Seine Ursprünge gehen auf das Jahr 1983 zurück, als die Ingenieure von AMC einen Nachfolger für den Cherokee konstruierten. Der Prototyp "Jeep Concept 1" von 1989 nahm die grundsätzliche Konstruktion bereits vorweg. Der Grand Cherokee war der erste Jeep mit Chrysler-Emblem, da das Konzept ja von AMC stammte; die AMC-Ingenieure, die an diesem Projekt beteiligt waren, - später Chrysler-Angestellte (nach dem Kauf von AMC durch Chrysler 1987) - wollten den Wagen in den späten 1980er-Jahren präsentieren, aber der damalige Konzernchef Lee Iacocca raumte überarbeiteten Chrysler-Minivans Priorität ein; dadurch verzögerte sich die Vorstellung des Ford Explorer-Konkurrenten Grand Cherokee bis 1992. Der Grand Cherokee wurde 1992 in grossem Stil auf der North American International Autoshow in Detroit vorgestellt. Der damalige Chrysler-Präsident Robert Lutz fuhr den Bürgermeister von Detroit, Coleman Young, die Stufen der Cobo Hall hinauf und durch ein Glasfenster, um das neue Produkt entsprechend zu präsentieren. Die Produktion des Grand Cherokee begann wenig später in dem eigens dafür gebauten "Jefferson North Assembly"-Werk in Detroit und blieb auch dort. 1993 Jeep Grand CherokeeDie ZJ-Modelle wurden von 1993 bis 1998 gebaut und waren ursprünglich in den drei Ausstattungsvarianten Base, Laredo und..

AMC/Jeep expert Patrick Foster provides 1001 facts covering all makes, models, shapes, and sizes that made the Jeep brand so popular over the last 75+ years! Included are the military Jeeps; Willys Jeep wagons, pickups, and forward control models; CJ-5, 6, 7, 8 and 10 variants; full-size Jeep Wagoneer, Gladiator, and Cherokee models; the Jeepsters and Commandos; the XJ Cherokee, Wagoneer, and Commanche models; the Wrangler YJ, TJ, and JK models; and finally, the overseas models. Jeeps

have an enduring popularity that has spanned decades and generations, from the very first purpose-built military vehicles to the modern mall lot warriors of today. Originally owned by Willys, then AMC, then Chrysler, then Fiat, the Jeep brand has outlived some of the manufacturers that produced them. Jeeps are icons; the brands and the style of the original Jeeps are globally recognized. While having evolved more radically in recent times, they have a universal appeal that persists to this day. Each of the eight chapters covering the models listed will provide interesting facts related to legend and lore, body and interior, engine and driveline, suspension and brakes, and finally number crunching and press commentary. It is the first Jeep book of its kind. Join Jeep expert and historian Foster as he relives everything cool and fun about the Jeep. No Jeep's library should be without it.

One issue each year comprises suppliers directory and buyers guide; issue for 1997- has title: Red book.

The definitive, fully illustrated celebration of an auto manufacturer that paved its own way by going off-road is now updated to celebrate Jeep's 80th anniversary. Few American vehicles, or vehicles made anywhere else in the world for that matter, are as universally iconic as the Jeep. From olive drab WWII military relics to the beloved Wrangler with its rear-mounted spare tire, open-air design, and telltale roll cage, the Jeep is a true classic. In Jeep: Eight Decades from Willys to Wrangler, automotive writer Patrick R. Foster chronicles Jeep vehicle design and production from the beginning of World War II to present. Beginning with the Jeep as a crucial component of the American war fleet, Foster expertly recounts the corporate shifts, financial struggles and successes, close calls, and, above all, the enduring machines that have carried Jeep from the early 1940s to its triumphant role as a modern-day embodiment of American perseverance. More than 200 color and black-and-white historical photos and period advertisements complement his expertly written narrative of Jeep's entire history, now updated to include five years of new model editions and prototypes, its return to the pickup market, and recent stunning marketplace successes. The resulting book reminds us that sometimes the road less traveled was just waiting for the right truck.
