Caldecott Honor Book Today Show Best Book for the Holidays ALA Notable Book for All Ages ALSC Notable Children's Book NCTE Notable Poetry Book Evanston Public Library's Top 100 Great Book for Kids Nerdy Award Winner for Single Poem Picture Book In this powerful, affirming poem by award-winning author Zetta Elliott, a Black child explores his shifting emotions throughout the year. There is a place inside of me a space deep down inside of me where all my feelings hide. Summertime is filled with joy—skateboarding and playing basketball—until his community is deeply wounded by a police shooting. As fall turns to winter and then spring, fear grows into anger, then pride and peace. In her stunning debut, illustrator Noa Denmon articulates the depth and nuances of a child's experiences following a police shooting—through grief and protests, healing and community—with washes of color as vibrant as his words. Here is a groundbreaking narrative that can help all readers—children and adults alike—talk about the feelings hiding deep inside each of us.

What does it take to turn a bully into a hero? Empathy and the power of forgiveness take center stage in this poignant novel by the award-winning author of *The Boy at the Back of the Class*. Getting in trouble is what Hector does best. He knows that not much is expected of him. In fact, he gets some of his most brilliant prank ideas while sitting in detention. But how far is too far? When Hector plays a prank on a homeless man and is seen and shamed by a schoolmate, he reaches a turning point. He wants to

be viewed differently and decides to do something that will change his fate for the better. But will anyone take him seriously? This moving story told with humor and heart presents readers with some recognizable characters, like a bully and a teacher's pet, and introduces them to some they may not be so familiar with—like those who are homeless, who live on the street, and whose stories are equally meaningful and important. Readers will feel motivated to see the best in others and hopeful that bad things can be overcome with effort.

Alice in Wonderland (also known as *Alice's Adventures in Wonderland*), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influenced generations of fiction writing.

A Nature Storybook about one of the world's most dangerous animals, with text by top non-fiction author Martin Jenkins and pictures by Satoshi Kitamura. A witty Nature Storybook about crocodiles, with words by award-winning author Martin Jenkins and playful pictures by Satoshi Kitamura. The main thing about crocodiles is they're really scary or at least the big ones are. They've got an awful lot of teeth and they're not at all fussy about what they eat, as long as it's got a bit of meat on it. When it comes to hunting down their dinner, they're very determined and very cunning. . . . so better beware. But you might be surprised to hear that there's more to crocodiles than just their appetites: crocodiles make wonderful mothers! This is a fascinating, rounded look at crocodiles, with Martin's wry text brought to life by Satoshi's lively watercolour paintings. The back matter includes notes on species, an index and a bibliography.

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heart-breaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. In this traditional English nursery rhyme, a young boy imagines the sounds made by various animals in the jungle.

This is the first English translation of Thomas Harriot's seminal *Artis Analyticae Praxis*, first published in Latin in 1631. It has recently become clear that Harriot's editor substantially rearranged the work, and omitted sections beyond his comprehension. Commentary included with this translation relates to corresponding pages in the manuscript papers, enabling exploration of Harriot's novel and advanced mathematics. This publication provides the basis for a reassessment of the development of algebra.

Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting "by the textbook" implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning. In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.
