world today. We view it as a fragile peace -one we need to maintain. While it

is true we are not at war with any nation, that can not be said of the Soviet Union. The Soviets are either directly involved or are providing dire military support for 24 wars in the Third World today: in the Middle East, South Asia, Africa, and South America.

A Fragile Peace includes: A detailed look at the Artele Sector, including the planets, outposts, characters and politics of this volatile region along the Neutral Zone border. A glimpse into the hidden machinations of the Tal Shiar, the elite intelligence service of the Romulan Star Empire.

A Fragile Peace. Summer 1936: a sunny day in Kent, a perfect afternoon for a garden party, and everything seems right in the tranquil and ordered world of the Jordan family. But before the day is out that peace is shattered as a consequence of a war being fought in a country not their own.

A disputed border, an age old enemy, a fragile peace. For over fifty years, the Federation has

enjoyed an uneasy peace with the Romulan Star Empire. The cornerstone of this fragile accord has been the Neutral Zone, a buffer one light year wide that separates the two galactic powers.

Aceh: A Fragile Peace On 9 December 2002, an agreement on cessation of hostilities in Aceh was concluded in Geneva, bringing hope that an end to the 26-year-old conflict between Indonesian government forces and guerrillas of the pro-independence Free Aceh Movement (Gerakan Aceh Merdeka or GAM) was in sight.

But even if they were, the natures of both war and humanity have not changed in the intervening 100 years, leaving the international community's peace in as fragile a position as July 1789, July 1914, or August 1939.

Colombia is holding parliamentary elections on Sunday, in a dry run to a hotly contested presidential election in May. The country's outlook was revised down by Moody's, and a fragile peace accord may not be enough to keep investors pumping money into the economy.

But before the day is out that peace is shattered due to a war being fought

in a country not their own. Summer 1940: London is at war, and for the first time in the history of combat a civilian population is under attack from the air. As a consequence - also for the first time - a generation of young men is called upon to face the enemy not from within an organised force on land or on sea but in individual and lethal combat in the skies above the green, fertile and until now peaceful fields ...
