ZTRH2I - LISA BALLARD

With more than two million copies sold, America remains the leading narrative history survey text because it's a book that students enjoy reading. The Tenth Edition is both more relevant, offering increased attention to the culture of everyday life, and more accessible, featuring a reduced number of chapters and a streamlined narrative throughout. The Brief Edition is 20 percent shorter in total pages than its parent Full Edition.

Never HIGHLIGHT a Book Again! Virtually all testable terms, concepts, persons, places, and events are included. Cram101 Textbook Outlines gives all of the outlines, highlights, notes for your textbook with optional online practice tests. Only Cram101 Outlines are Textbook Specific. Cram101 is NOT the Textbook. Accompanys: 9780521673761

A leading African-American historian of race in America exposes the uncomfortable truths about race, slavery and the American academy, revealing that our leading universities, dependent on human bondage, became breeding grounds for the racist ideas that sustained it.

America's History for the AP® Course offers a thematic approach paired with skills-oriented pedagogy to help students succeed in the redesigned AP® U.S. History course. Known for its attention to AP® themes and content, the new edition features a nine part structure that closely aligns with the chronology of the AP® U.S. History course, with every chapter and part ending with AP®-style practice questions. With a wealth of supporting resources, America's History for the AP® Course gives teachers and students the tools they need to master the course and achieve success on the AP® exam.

Cabot Yerxa's discovery of natural hot and cold mineral water in 1914 was the impetus for the establishment of Desert Hot Springs. His eccentric pueblo-style home, which is listed in the National Register of Historic Places, is a unique tourist attraction. L.W. Coffee also recognized the value of the hot water, so he drilled wells and opened his famous bathhouse in 1941. The development of more than 200 spas followed. Angel View Children's Hospital, established in the 1950s, uses the therapeutic water to treat disabled children. The city's extraordinary, pure cold water wins awards such as "best tasting in the world." Desert Hot Springs is the location of architect John Lautner's first desert commission, and Mary Pickford's house still stands at the famous B-Bar-H Ranch that was frequented by movie stars during the 1940s and 1950s. The historic Two Bunch Palms Resort and Spa is known as an exclusive celebrity hideaway. The city, believed to have an unusually strong vortex, is located just south of Joshua Tree National Park. An elevation of 1,200 feet affords most residents magnificent views of both Mount San Jacinto and Mount San Gorgonio.

The best-selling narrative history that students love to read

Never HIGHLIGHT a Book Again! Includes all testable terms, concepts, persons, places, and events. A book students love, now more streamlined and accessible. America has sold more than 1.8 million copies over the past eight editions because it's a book that students enjoy reading. Effective storytelling, colorful anecdotes, and biographical sketches make the narrative absorbing and the material more memorable. The Ninth Edition includes refreshed and updated coverage of African American history and has been streamlined from 37 to 34 chapters.

Most leaders of the U.S. expansion in the years before the Civil War were southern slaveholders. As Matthew Karp shows, they were nationalists, not separatists. When Lincoln's election broke their grip on foreign policy, these elites formed their own Confederacy not merely to preserve their property but to shape the future of the Atlantic world.

A newly revised version of a classic in American historyWhen "The American Revolution" was first published in 1985, it was praised as the first synthesis of the Revolutionary War to use the new social history. Edward Countryman offered a balanced view of how the Revolution was made by a variety of groups-ordinary farmers as well as lawyers, women as well as men, blacks as well as whites-who transformed the character of American life and culture. In this newly revised edition, Countryman stresses the painful destruction of British identity and the construction of a new American one. He expands his geographical scope of the Revolution to include areas west of the Alleghenies, Europe, and Africa, and he draws fresh links between the politics and culture of the independence period and the creation of a new and dynamic capitalist economy. This innovative interpretation of the American Revolution creates an even richer, more comprehensive portrait of a critical period in America's history.

America has sold more than 1.8 million copies over the past eight editions because it's a book that students enjoy reading. Effective storytelling, colorful anecdotes, and biographical sketches make the narrative absorbing and the material more memorable. The Brief Ninth Edition is 20% shorter, and includes refreshed and updated coverage of African American history, and has been streamlined from 37 to 34 chapters.

The best collection of primary sources--at the best price

With more than two million copies sold, America remains the leading narrative history survey text because it's a book that students enjoy reading. The Tenth Edition is both more relevant, offering increased attention to the culture of everyday life, and more accessible, featuring a reduced number of chapters and a streamlined narrative throughout.

Offers a broad view of American culture during the 1920s, discussing the changing values that ended the repressive Victorian era, the growing importance of pluralism in America's heterogeneous society, and the expansion of federal bureaucracy

America: A Narrative History puts narrative front and center with David Shi's rich storytelling style, colorful biographical sketches, and vivid first-person quotations. The new editions further reflect our society and our students today by continuing to incorporate diverse voices into the narrative with new coverage of the Latino/a experience as well as enhanced coverage of women and gender, African American, Native American, immigration, and LGBTQ history. With dynamic digital tools, including the InQuizitive adaptive learning tool, and new digital activities focused on primary and secondary sources, America: A Narrative History gives students regular opportunities to engage with the story and build critical history skills. The Brief Edition text narrative is 15% shorter than the Full Edition.

A book students will read. America, now in its twenty-fifth year, has sold more 1.2 million copies over the past seven editions and remains the most affordable history text on the market. The narrative wins students over with compelling storytelling, colorful anecdotes and biographical sketches that make the material more memorable. The text includes helpful in-text study aids, and a host of electronic media resources to help teachers teach and students learn.

The Essential Learning Edition of America's celebrated narrative offers a unique pedagogical program built around core objectives. In-chapter features guide reading, source activities guide analysis, and digital resources reinforce the reading and skill development, all providing a clear path for student success. The Second Edition has been made even more accessible and engaging with a streamlined narrative, expanded visuals, added coverage on the culture of daily life, and NEW History Skills Tutorials.
