Absolutism vs. Democracy - Comparative Essay. Absolutism vs. Democracy Democracy is a government where the people rule and have rights, whereas absolutism is a government with one ruler and the people have limited rights. Absolutism was the most effective form of government from the 1500s to the 1800s because society needed guidance and monarchs had the power to do what was fit for their country.

Beik's Absolutism and Society in Seventeenth-Century France: State Power and Provincial Aristocracy in Languedoc is often considered the foundational text of a historiographical movement called "provincial revisionism." Nearly thirty years ago, historians began to question the reality of an "absolutist" state in seventeenth-century France.

*Absolutism and Society in Seventeenth-Century France ...*

Early modern absolutism is believed to have existed across Europe, but largely in the west in states such as Spain, Prussia, and Austria. It is considered to have reached its apogee under the rule of French King Louis XIV from 1643 to 1715, although there are dissenting views—such as that of historian Roger Mettam—suggesting that this was more dream than reality.

Democracy and Industrialization. Democracy and Industrialization were both key factors in the development of western and non-western civilizations. These two forces of change were equally significant in their impacts on society. By exploring the distinctive characteristics of these two forces, it becomes very clear just how important each of them were to our world, both yesterday and today.
