Zoe's a security specialist and a Costas through and through. Her eccentric, rather dubious family runs an Atlantic City spa that's just this side of legit. So Zoe isn't inclined to trust handsome, charming Ryan Baldwin when he shows up claiming to be related to Sam, the girl the Costas family is about to adopt. But Ryan is Sam's uncle and one of the famously rich and snooty Boston Baldwins. Ryan's search for his sister Faith has led him to news of her death, and to a niece he's never met. But someone else has also tracked Sam down — someone who never wanted the child to be found. Ryan is determined to protect Sam and find out what really happened to his sister. And Zoe "Whatever-It-Takes" Costas is just the woman to help him do it...

'Maybe this was finally Lily's time. Maybe this was the year she became a grown-up. She would have a proper, impressive job, and she could maybe even move out on her own. She flinched a bit when she realised that the missing element to this glorious new life was love, which seemed to be further away than it ever had been. Was it too much to ask for a guy to present himself who wasn't a nob or an alcoholic or a loser?' From the bestselling author of *Air Kisses*, *Playing the Field* and *The Younger Man* comes a funny, heartfelt novel about what happens when life, love, work and friendships collide. 'I love Zoe's writing so much I want to take it out for yum cha and champagne.' Bronwyn McCahon, Editor, *Cosmopolitan* 'Laugh-out-loud hilarious, and talks about stuff we've all gone through.' Cleo

A gorgeous bubble-filled ode to bath-time chaos, as seen from the bath's point of view. From the inimitable Zoe Foster Blake, author of the bestselling *No One Likes a Fart*. Bath-time is fun! There's the bubbles, the bath toys and lots of splashing of course. But have you ever wondered what it's like for the bath? Scaredy Bath does not like bath time . . . the piping hot water, the gooey muck and especially not the small boisterous grubby ones that shout and splash and make Scaredy all mucky! What's a bath to do? Will Scaredy Bath ever enjoy bath time? Scaredy Bath is a delightful new addition to Zoe's much-loved brand of picture books that celebrate the ups and downs of family life. Joyously brought to life by the hilarious splash-filled illustrations of Daniel Gray-Barnett.

Sometime it's better to kiss than to make up...Hannah Atkins – the girl most likely to be sporting unblended foundation, orange wrists or a wobbly trail of liquid eyeliner – has bluffed her way into the position of beauty editor at *Gloss* magazine. Just as she's carving a path into the shiny world of guerrilla air kisses, achingly hip PR campaigns and goodie-bag overload, she reads about her boyfriend and another girl in the gossip pages of the local rag. Then she gets dumped. By text. Vowing to claw back some dignity and make her ex regret what he's done, Hannah adopts a manifesto of hardcore rules. Don't become BFFs with the catty girls at work. Don't drink fourteen glasses of Moët & Chandon at PR launches. Don't go home with inappropriate men. And certainly don't get all besotted with your best friend's brother. As her rules start to slip away, Hannah finds herself having to decide on more important things than just the perfect shade of lip gloss...

In the glossy world of footballers' WAGs, love is the toughest game of all . . . Jean Bennett, aspiring jewellery designer, knows as much about football as she does astrophysics. But when she moves to the bright lights of Sydney and falls in love with star footballer Josh Fox, she has to learn - fast. Thrown eyelashes first into the world of WAGs, Jean is way out of her league. She navigates her way through semi-finals, a gruelling social calendar and salacious scandals on Josh's arm, safe in the knowledge he belongs to her - or so she thinks. But as her hair gets blonder, her heels higher and her tops lower, Jean begins to wonder who she's become . . . 'Zoe Foster continues her romp into the romantic travails of Generation Y with this high-calorie slice of chick lit.' *SUNDAY MAIL* Praise for *Air Kisses* 'Air Kisses is written in such a sexy way that it's difficult to put down . . . Clever and cheeky.' *Sun-Herald* 'This girl can write, with a humour and charm that frequently has you thumbing through the wit-strewn pages with a smile stretching from ear to ear.' *Sunday Age*

With a world steeped in materialism, environmental destruction, and injustice, what can one individual possibly do to change it? While the present obstacles we face may seem overwhelming, author and humane educator Zoe Weil shows us that change doesn't

have to start with an army. It starts with you. Through her straightforward approaches to living a MOGO, or "most good," life, she reveals that the true path to inner peace doesn't require a retreat from the world. Rather, she gives the reader powerful and practicable tools to face these global issues, and improve both our planet and our personal lives. Weil explores direct ways to become involved with the community, make better choices as consumers, and develop positive messages to live by, showing readers that their simple decisions really can change the world. Inspiring and remarkably inclusive of the interconnected challenges we face today, *Most Good, Least Harm* is the next step beyond "green" -- a radical new way to empower the individual and motivate positive change.

INTERNATIONAL BESTSELLER "Propulsive and chilling." --People Magazine "An intoxicating thrill ride. Hillier jams her foot on the accelerator and never lets up." --New York Times Book Review *Things We Do in the Dark* is a brilliant new thriller from Jennifer Hillier, the award-winning author of the breakout novels *Little Secrets* and *Jar of Hearts*. Paris Peralta is suspected of killing her celebrity husband, and her long-hidden past now threatens to destroy her future. When Paris Peralta is arrested in her own bathroom—covered in blood, holding a straight razor, her celebrity husband dead in the bathtub behind her—she knows she'll be charged with murder. But as bad as this looks, it's not what worries her the most. With the unwanted media attention now surrounding her, it's only a matter of time before someone from her long hidden past recognizes her and destroys the new life she's worked so hard to build, along with any chance of a future. Twenty-five years earlier, Ruby Reyes, known as the Ice Queen, was convicted of a similar murder in a trial that riveted Canada in the early nineties. Reyes knows who Paris really is, and when she's unexpectedly released from prison, she threatens to expose all of Paris's secrets. Left with no other choice, Paris must finally confront the dark past she escaped, once and for all. Because the only thing worse than a murder charge are two murder charges.

Tasha doesn't realize who Matt is related to until he gives her his number at the end of a perfect day. Turning down his request for a second date—with both her and her daughter—is the hardest thing she's ever done. Meet Roanne Chappell -- definitely not your ordinary teenage girl. A product of the loving but decidedly unorthodox guardianship of her mother, Del, Roanne is a fascinating study in contrasts. Equal parts bold seductress and wide-eyed innocent, smart-ass teenager and wizened sage, she is an outlandish, charismatic, and wholly inspired creation. Unabashedly outspoken (and an increasingly accomplished flirt), Roanne quietly longs for escape -- particularly from her mother's overwhelming and over-powering shadow. Her chance comes after she discovers, much to her horror, that the professor she had slept with is also bedding her mother. "I just can't seem to stop feeling like one of those air-sucking dogs people leave in cars with the windows open just a tiny bit. I need to put my whole face, my whole self, in the air for a while to try and figure out who I am when I'm not standing next to my amazing mum." To clear her head, Roanne begins a journey and goes from feeling like an outsider to being embraced by a very special group of people -- people whom most others have found strange or different but with whom Roanne feels right at home. From a marriage proposal by the teenage son of the founders of the Christian Rebirth Center, to her relationship with new best friend Gilbey Tarr -- the sixteen-year-old "Teenage Goddess from Outer Space" -- to a reunion with Dickie Siggins -- international pop star and her mother's life-long friend -- to a bittersweet reconciliation with Del, Roanne soars headfirst into a world of tragedy and comedy, and in the process learns about life, love, and death -- and everything in between. With this richly satisfying debut novel, Gale Zoë Garnett has channeled Roanne's outsized passions into a tightly crafted and powerfully moving narrative, charting a journey to lands unknown, emotions untapped, and experience unforeseen. Visible Amazement injects contemporary fiction with welcome jolts of crackling humor and unexpected drama. Written in a totally original and unique voice, the novel, like its heroine, is delightful, disturbing, and utterly unforgettable.

I took her innocence as payment. She was far too young and naïve to be betrothed to a monster like me. I would bring only pain and darkness into her sheltered world. That's why she ran. I should've just let her go... She never asked to marry into a powerful Russian mafia family. None of this was her choice. Unfortunately for her, I don't care. I own her... and after three years of searching... I've found her. My runaway bride was about to learn disobedience has consequences... punishing ones. Having her in my arms and under my control had become an obsession. Nothing was going to keep me from claiming her before the eyes of God and man. She's finally mine now... and I'm never letting her go.

In this thought-provoking and playful short story collection, David Foster Wallace nudges at the boundaries of fiction with inimitable wit and seductive intelligence. Wallace's stories present a world

Among the stories are 'The Depressed Person,' a dazzling and blackly humorous portrayal of a woman's mental state; 'Adult World,' which reveals a woman's agonized consideration of her confusing sexual relationship with her husband; and 'Brief Interviews with Hideous Men,' a dark, hilarious series of imagined interviews with men on the subject of their relations with women. Wallace delights in leftfield observation, mining the absurd, the surprising, and the illuminating from every situation. This collection will enthrall DFW fans, and provides a perfect introduction for new readers.
