Echo Dot streams music from Amazon Prime Music, JioSaavn, Gaana, Hungama Music and TunesIn - just ask for your favorite artist or song, or request a specific genre or mood. Search for music by album, decade, or let Alexa pick the music for you.

Earlier this year, Amazon expanded their stable of Echo products to include the Echo Dot, the tiny sibling of the bigger Echo speaker. And now, before the year is even over, the company has shipped a newer, cheaper version of the Echo Dot. Let's take a look at the similarities, differences, and when and where you would want to use each product.

Amazon Echo versus Dot: We break down the differences with information about the Echo and the Dot, so you can decide which smart speaker is right for your home.
