Introduction In this chapter, we will intro-

duce discussions that inform a clearer understanding of coaching, and the theoretical and practical foundations on which it stands. To do this, we highlight the qualities of the activity that make it distinctive, namely that it relies on the learning of the client, is goal focused, is didactic and performance-oriented.

An Introduction to Coaching An Introduction to Coaching. Let me start by asking you a question, 'are you 100% happy in every area of your life'? If your answer is 'yes', then stop reading now. However, if your answer is 'no' then continue reading...
