Jammed packed with hundreds of pictures that can be used with projects in the multi-cultural classroom.

Library makerspaces are truly transformative, inviting library users to create, innovate, and collaborate. But like any cutting-edge initiative, makerspaces also bring up a host of new and unique legal questions. In this first-of-its-kind e-book, three legal experts deliver detailed and reliable answers in plain language for library managers and staff, along with legal citations. Organized in Q & A format for quick reference, this concise resource offers sound advice on such issues as key clauses to look for when evaluating insurance coverage; American with Disabilities Act (ADA) compliance; how copyright applies to 3-D printing, plus guidance for handling controversial output such as sex toys or swastikas; parental release forms for minors; what trademark law has to say about action figures and logos; how to protect the library from secondary infringement claims; and avoiding negligence lawsuits. Untangling the knotty legal questions surrounding makerspaces, the authors' straightforward answers will empower libraries to use makerspaces to foster a true sense of community. Regulation of Securities: SEC Answer Book, Fifth Edition is your complete guide to understanding and complying with the day-to-day requirements of the federal securities laws that affect all public companies. Using a question-and-answer format similar to that which the SEC has embraced, this valuable desk reference provides concise, understandable answers to the most frequently asked compliance questions, and ready access to key statutes, regulations, and court decisions. Designed for both beginners and seasoned professionals, the volume contains approximately 1,400 pages organized in 23 self-contained chapters. Each chapter covers the basics before moving into the nuanced details, meeting the needs of those who seek a general understanding of a topic as well as those grappling directly with critical issues. Twice-yearly supplements keep the book current in this rapidly evolving field. Whether you are a lawyer, accountant, corporate executive, director or investor, you'll be able to quickly find concise answers to essential questions about the Dodd-Frank Act, Exchange Act registration and reporting, executive compensation disclosure, derivatives disclosure, management's discussion and analysis, audit committee responsibilities, Sarbanes-Oxley, electronic filing, interactive financial data, tender offers, proxy solicitations, insider trading, going private transactions, shareholders' rights, SEC investigations, criminal enforcement, securities class actions, and much more!

A top-selling teacher resource line, The 100+ Series(TM) features over 100 reproducible activities in each book! Help your student form a solid understanding of the Spanish language. Building on the basics, this book covers common phrases, functional vocabu-

lary, conjugation of verbs, basic grammar, and sentence structure. Over 100 pages of reproducible activities get your students started on the path to speaking and writing Spanish. The activities provided offer fun and varied exercises to practice concepts and vocabulary. Students learn to tell time, formulate sentences, conjugate verbs, pose and answer questions, and make comparisons; all while learning about Spanish-speaking culture.
