Most architects work iteratively through 'options', but Alsop could conceive an imaginative field of objects, possibilities and emotions in which architecture could

come into being as a frame for enjoyment and fulfilment. 'I like people and I hope it shows,' he said. William Alsop was born in Northampton on 12 December 1947.

From 1945 to 1962, the magazine Arts & Architecture sponsored a project in which they commissioned prominent architects of the era to design and build inexpensive and functional model homes for all of the soldiers coming in and causing the residential housing boom. There were 36 designs, ...

Architecture is a picture book of economic and social history. The rise of America's middle class during the mid-20th century can be traced in the movement from 1920s-era Bungalows to the practical homes that evolved in rapidly expanding suburbs and exurbs, especially in areas with a high population density. Mid-century modern became a style not only of architecture, but also of furniture and ...
