Classic Weaponry Of Japan is a Kodansha International publication.

For the first time ever the historical records of the Asayama Ichiden Ryu school with translation. This school was taught

Ueno Takashi, Sato Kinbei, Fujita Seiko and many others. This historical transmission booklet includes all techniques and brief history of the school. This information was once secret and is now presented in a unique format including the original den-sho (transmission book) and full translation. The book includes descriptions of all techniques and has various drawings throughout.

Ninjutsu is the most renowned and misunderstood of all martial arts. The long history of ninjutsu is often murky; surrounded by mystery and legend. Here, for the first time, is an in-depth, factual look at the entire art of ninjutsu, including emergence of the ninja warriors and philosophy in feudal Japan; detailed historical events; its context in

the development of other schools of martial arts; and the philosophies and exercises of the school today. Based on more than ten years of study and translation of authentic Japanese texts, including many that have never before been translated, this is the most comprehensive and accurate study on the art of ninjutsu ever written outside of Japan. This ninja book includes studies of ninjutsu history, philosophy, wisdom, and presents a wide range of information from authors, historians, chronicles and scrolls in order to foster a deep understanding of this "shadowy" art. For those who train in ninjutsu, for other martial art practitioners, for historians, and for anyone with an interest in Japanese feudal history or Japanese martial arts, The Ninja: An-

cient Shadow Warriors of Japan shines a light on this enigmatic subject.
