Beverly Donofrio is known for her popular memoir *Riding in Cars with Boys*, where she wrote about her experience as a teen mom. Now she's out with a new memoir about a life-changing incident in her mid-fifties — she woke up one night to a rapist in her bed. The book is titled *Astonished: A Story of Evil, Blessings, Grace and Solace*.

ASTONISHED is not the story of a victim. Rather, it is a remarkably open, forthcoming exploration of a woman's developing faith in both God and humanity. It is a story of living.
