BEARS IN LOVE

A Polar Bear in Love is a mostly silly and sometimes sad story about a polar bear in love with a baby seal that is terrified of him for most of the first volume. This volume addresses some facts of life, such as polar bears eating seals, deadly combat between polar bears, and even a dying whale, while curiously ignoring others, like what Polar Bear and Li'l Seal eat while together (I'm genuinely curious what Polar Bear eats if not seals).

Honey teddy bears in love: crochet pattern - Amigurumi Today

After two more exchanges, the bear and a shy bunny finally meet and contentedly share their mutual love of songs and food, on their way to what looks like a beautiful friendship. Pinkwater demonstrates a deft gift for writing for very young children, and the book is made more special by Hillenbrand's lovely pastel illustrations.

But that is precisely why the church is so important. It is our duty as believers to help bear one another's burdens (Gal. 6:2). When someone staggers, we help steady the load. If he is straining, we help bear the burden. And if he stumbles, we lift him up.

BEARS IN LOVE

So it is not a far stretch to say that the child in your life will fall in love with 'bear' in Bear in Love. Author Daniel Pinkwater understands children and what they like to hear and see in a story. So he has created a gentle bear who awakens to a gift from an unknown friend. A friend he wants to engage.
