"Believing Women" in Islam - Wikipedia

"Believing Women" in Islam: Unreading Patriarchal Interpretations of the Qur'an is a 2002 book by Asma Barlas, published by the University of Texas Press. According to Barlas, the Qur'an does not support patriarchy and modern day Muslims were not properly interpreting the text. She argues that the Qur'an supports equal spousal and marital rights and does not differentiate among sex and gender. Barlas attributes incorrect interpretations of the Qur'an to the hadith, shariah, and sunnah. Barlas st

In this revised edition of her classic and groundbreaking work, *Believing Women in Islam: Unreading Patriarchal Interpretations of the Qur'an* (University of Texas Press, 2019), Asma Barlas demonstrates how a Muslim believer can fully adopt an antipatriarchal reading of the Qur'anic text while maintaining belief in its Divine Providence. The intervention she makes is thus as useful to those studying the Quran (and scriptural interpretation more broadly) in the western academy as it is to ...

Throughout *Believing Women in Islam*, Barlas essentially challenges “the widespread tendency to blame Islam for oppressing Muslims rather than blaming Muslims for misreading Islam”. She calls out those who have “monopolized the meaning of God’s word”, which invariably reinforces systematic patriarchy.

This new view takes readers into the heart of Islamic teachings on women, gender, and patriarchy, allowing them to understand Islam through its most sacred scripture, rather than through Muslim cultural practices or Western media stereotypes.For this revised edition of *Believing Women in Islam*, Asma Barlas has written two new chapters—“Abraham’s Sacrifice in the Qur’an” and ...

"Believing Women" in Islam: Unreading Patriarchal Interpretations of the Qur'an (Revised edition. University of Texas Press, February 2019) Essays "Reviving Islamic Universalism: East/s, West/s, and Coexistence," in Abdul Aziz Said and Meena Sharify-Funk (eds.), *Contemporary Islam: Dynamic, Not Static* (Routledge, 2006).

The subjugation of women in many Muslim countries is often used as evidence of this, while many Muslims read the Qur'an in ways that seem to justify sexual oppression and inequality. In this paradigm-shifting book, Asma Barlas argues that, far from supporting male privilege, the Qur'an actually affirms the complete equality of the sexes.

Does Islam call for the oppression of women? Non-Muslims point to the subjugation of women that occurs in many Muslim countries, especially those that claim to be "Islamic," while many Muslims read the Qur'an in ways that seem to justify sexual oppression, inequality, and patriarchy. Taking a wholly different view, Asma Barlas develops a believer's reading of the Qur'an that demonstrates the ...

Book Review: *Believing Women in Islam - Unreading Patriarchal Interpretations of the Quran*. Muslim feminists have two tedious battles to fight: one against those who hold on to patriarchal notions within their own community, and the other against feminists who refuse any reconciliation between feminism and any ‘Abrahamic’ religion, including Islam. From both sides, they are belittled, misjudged and dismissed.
