Analyzing the relationship between dramatic action and the controversial art of acting, William Worthen demonstrates that what it means to act, to be an actor, and to communicate through acting embodies both an ethics of acting and a poetics of drama. A Theory of Adaptation explores the continuous development of creative adaptation, and argues that the practice of adapting is central to the story-telling imagination. Linda Hutcheon develops a theory of adaptation through a range of media, from film and opera, to video

games, pop music and theme parks, analysing the breadth, scope and creative possibilities within each. This new edition is supplemented by a new preface from the author, discussing both new adaptive forms/platforms and recent critical developments in the study of adaptation. It also features an illuminating new epilogue from Siobhan O'Flynn, focusing on adaptation in the context of digital media. She considers the impact of transmedia practices and properties on the form and practice of adaptation, as well as studying the extension of game narrative across media platforms, fan-based adaptation (from Twitter and Facebook to home movies), and the adaptation of books to digital formats. A Theory of Adaptation is the ideal guide to this ever evolving field of study and is essential reading for anyone interested in adaptation in the context of literary and media studies.

Stanley Webber is visited in his boarding house by strangers, Goldberg and McCann. An innocent-seeming birthday party for Stanley turns into a nightmare. *The Birthday Party* was first performed in 1958 and is now a modern classic, produced and studied throughout the world.

Two short plays by Pinter. "Landscape" features a man and a woman in a kitchen, speaking, but not to one another. "Silence" is about a young woman and the two men she knows.

Examines the screenplays of the master British dramatist and screenwriter Harold Pinter.

"One of the most essential artists produced by the twentieth century. Pinter's work gets under our skin more than that of any living playwright." —New York Times Upon its premiere at the National Theatre, *Betrayal* was immediately recognized as a masterpiece. It won the Olivier Award for best new play, and has since been performed all around the world and made into an Academy Award-nominated film starring Jeremy Irons, Ben Kingsley, and Patricia Hodge. *Betrayal* begins with a meeting between adulterous lovers, Emma and Jerry, two years after their affair has ended. During the nine scenes of the play, we move back in time through the stages of their affair, ending in the house of Emma and her husband Robert, Jerry's best friend. "[*Betrayal*] deals with the shifting balance of power in triangular relationships, and with the pain of loss. . . . Pinter probes the corrosive nature of betrayal . . . a world where pain and loss are explored with poetic precision." —Guardian "*Betrayal* is an exquisite play, brilliantly simple in form and courageous in its search

for a poetry that turns banality into a melancholy beauty." —Newsweek "There is hardly a line into which desire, pain, alarm, sorrow, rage or some kind of blend of feelings has not been compressed, like volatile gas in a cylinder less stable than it looks . . . The play's subject is not sex, not even adultery, but the politics of betrayal and the damage it inflicts on all involved." —Times (UK)

**THE STORY:** While their nine-year-old son is away for the night on his first sleepover, Adam and Jan have an evening alone together, their first in years. Adam's attempt to seduce his wife before he leaves on business the next day begins a suspenseful

From an inauspicious beginning at the tiny Left Bank Theatre de Babylone in 1953, followed by bewilderment among American and British audiences, *Waiting for Godot* has become one of the most important and enigmatic plays of the past fifty years and a cornerstone of twentieth-century drama. As Clive Barnes wrote, "Time catches up with genius . . . *Waiting for Godot* is one of the masterpieces of the century." The story revolves around two seemingly homeless men waiting for someone—or something—named Godot. Vladimir and Estragon wait near a tree, inhabiting a drama spun of their own consciousness. The result is a comical wordplay of poetry, dreamscapes, and nonsense, which has been interpreted as mankind's inexhaustible search for meaning. Beckett's language pioneered an expressionistic minimalism that captured the existential post-World War II Europe. His play remains one of the most magical and beautiful allegories of our time.

"An oblique comedy of menace,

unsettling, exquisitely wrought and written . . . a complex excursion into the by now familiar Pinter world of mixed reality and fantasy, of human worth and human degradation." —New York Times Set against the decayed elegance of a house in London's Hampstead Heath, in *No Man's Land* two men face each other over a drink. Do they know each other, or is each performing an elaborate character of recognition? Their ambiguity—and the comedy—intensify with the arrival of two younger men, the one ostensibly a manservant, the other a male secretary. All four inhabit a no man's land between time present and time remembered, between reality and imagination—a territory which Pinter explores with his characteristic mixture of biting wit, aggression, and anarchic sexuality. The *Cambridge Companion to Harold Pinter* provides an introduction to one of the world's leading and most controversial writers, whose output in many genres and roles continued to grow until the author's death in 2008. Harold Pinter, winner of the 2005 Nobel Prize for Literature, produced work for the theatre, radio, television and screen, in addition to being a highly successful director and actor. This volume examines the wide range of Pinter's work (including his recent play *Celebration*). The first section of essays places his writing within the critical and theatrical context of his time, and its reception worldwide. The *Companion* moves on to explore issues of performance, with essays by practitioners and writers. The third section addresses wider themes, including Pinter as celebrity, the playwright and his critics, and the political dimensions of his work. The volume offers photographs from key productions, a chronology, checklist of works and bibliography.

David Rush offers a guide to interpreting drama in *A Student Guide to Play Analysis*. Rush emphasizes the importance of students developing insights of their own. He describes the essential difference between a story and a play, outlines four ways of looking at plays, and then takes up the typical structural devices of a well-made play.

**THE STORY:** As the play begins Helen and John gaze proudly at their new offspring, a bit disappointed that it doesn't speak English and too polite to check its sex. So they decide that the child is a girl and name it Daisy--which leads to all manner

Far less expensive than comparable guides, *Reading and Writing about Literature: A Portable Guide* is an ideal supplement for writing courses where literature anthologies and individual literary works that lack writing instruction are assigned. This brief guide introduces strategies for reading literature, explains the writing process and common writing assignments for literature courses, provides instruction in writing about fiction, poetry, and drama, and includes coverage of writing a research paper and of literary criticism and theory. This volume in the popular Bedford/St. Martin's series of *Portable Anthologies and Guides* offers a trademark combination of high quality and great value.

In "The Birthday Party", a musician becomes the victim of a ritual murder. Everyone implacably plays out the role assigned to them by fate. "The Room" becomes the scene of a visitation of fate when a blind Negro suddenly arrives to deliver a mysterious message.

**THE STORY:** When two frustrated London housewives decide to rent a villa in Italy for a holiday away from their bleak marriages, they recruit two very different En-

glish women to share the cost and the experience. There, among the wisteria blossoms a

Jacket description.back: In all of Pinter's plays, seemingly ordinary events become charged with profound, if elusive, meaning, haunting pathos, and wild comedy. In *The Caretaker*, a tramp finds lodging in the derelict house of two brothers; in *The Dumbwaiter*, a pair of gunmen wait for the kill in a decayed lodging house. Harold Pinter gradually exposes the inner strains and fear of his characters, alternating hilarity and character to create an almost unbearable edge of tension.

"What corporations fear most are consumers who ask questions. Naomi Klein offers us the arguments with which to take on the superbrands." Billy Bragg from the bookjacket.

After 1989, capitalism has successfully presented itself as the only realistic political-economic system - a situation that the bank crisis of 2008, far from ending, actually compounded. The book analyses the development and principal features of this capitalist realism as a lived ideological framework. Using examples from politics, films, fiction, work and education, it argues that capitalist realism colours all areas of contemporary experience. But it will also show that, because of a number of inconsistencies and glitches internal to the capitalist reality program capitalism in fact is anything but realistic.

A biography of the playwright Harold Pinter and a study of his work as writer, actor and director. His political beliefs are viewed from the perspective of his life, which he began as an only child in Hackney, where he was one of a group of youths delighting in intellectual wordplay and badinage.

Harold Pinter's *Politics* examines the expression of Pinter's political beliefs across every aspect and era of his artistic career. The fierce political stances of this important dramatist have been embodied in plays, screenplays, and his career as a theatrical director. Traditionally associated with absurdism, minimalism, and the dramatization of uncertainty, Pinter's name is now a byword for anti-authoritarian and anti-American politics. This transition has been in evidence from the earliest phases of his writing; all of Pinter's work emerges from his political views. His uniqueness as a political artist is that he is pessimistic about changing his audience or making it see its complicity in the horrors of the modern world. These horrors are dramatized through images of torture and oppression culminating in moments of silence that index the full extent of the destruction unleashed by the forces of power against dissidence.

This is the first comprehensive account of the Appraisal Framework. The underlying linguistic theory is explained and justified, and the application of this flexible tool, which has been applied to a wide variety of text and discourse analysis issues, is demonstrated throughout by sample text analyses from a range of registers, genres and fields.

"A fascinating work . . . possessing extraordinary power. Masterful." —San Francisco Chronicle "Brilliant, cranky, and eccentric, and the narrative passages are some of the most thrilling ever written." —Library Journal "Some of the author's most enduring themes—notably, sexual jealousy and betrayal—are present. . . . The narration shows traces of writers as various as Joyce and Beckett, e.e. cummings and J.P. Donleavy." —The Washington Post "The Abbott and Costello meet Samuel Beckett dialogue . . . makes you laugh out loud." —The Village Voice

A major reassessment of the achievements of British playwright Harold Pinter by an international group of scholars.

This book examines the role of the international community in the handover of the Dutch colony of West Papua/Irian Jaya to Indonesia in the 1960s and questions whether or not the West Papuan people ever genuinely exercised the right to self-determination guaranteed to them in the UN-brokered Dutch/Indonesian agreement of 1962. Indonesian, Dutch, US, Soviet, Australian and British involvement is discussed, but particular emphasis is given to the central part played by the United Nations in the implementation of this agreement. As guarantor, the UN temporarily took over the territory's administration from the Dutch before transferring control to Indonesia in 1963. After five years of Indonesian rule, a UN team returned to West Pa-

pua to monitor and endorse a controversial act of self-determination that resulted in a unanimous vote by 1022 Papuan 'representatives' to reject independence. Despite this, the issue is still very much alive today as a crisis-hit Indonesia faces continued armed rebellion and growing calls for freedom in West Papua.

Michael Billington's engrossing biography examines Pinter's work in the context of his life. Through extended conversations with Pinter and interviews with his friends and colleagues, Billington creates a portrait of the man as well as the artist, from Pinter's Hackney childhood to his Nobel Prize, discussing his writing for stage and screen, as well as his fiction and poetry, his acting and directing, his political activity, his friendships, his two marriages and his passion for cricket. He emerges as a man of infinite complexity whose imaginative world is shaped by his private character. This new edition includes a full transcript of the Nobel lecture, as well as an additional chapter written in the aftermath of Harold Pinter's death in December 2008. 'The foremost representative of British drama in the second half of the twentieth century.' The Swedish Academy citation on awarding Harold Pinter the Nobel Prize for Literature, 2005 'Enthralling... An open-sesame into Pinter's work... A valuable book. And absorbing: I found it virtually unputdownable.' Financial Times 'No reader of this book will doubt that its subject is a man of the highest artistic stature.' Sunday Telegraph

The dispatcher has a great job lined up and the only mini-cab available is 274. Problem is, 274, who says he has fallen in love with the passenger who is asleep (or is she dead?) on his back seat, doesn't seem to know his own location, much less that of Victoria Station.

A middle-aged couple entertain a friend they have not seen for two decades in Pinter's play first presented in London's West End in June, 1971.

While best known as one of the most important playwrights of the twentieth century, Harold Pinter (1930--2008) had an equally successful career writing screenplays. His collaborations with director Joseph Losey garnered great attention and esteem, and two of his screenplays earned Academy Award nominations: *The French Lieutenant's Woman* (1981) and *Betrayal* (1983). He is also credited for writing an unproduced script to remake Stanley Kubrick's 1962 adaptation of *Lolita*. Much scholarship has been dedicated to the subject of Pinter as playwright, but the rich landscape of his work in film has been left largely undisturbed. In *Sharp Cut: Harold Pinter's Screenplays and the Artistic Process*, Steven H. Gale, the world's foremost Pinter scholar, analyzes Pinter's creative process from initial conception to finished film. Gale makes careful, point-by-point comparisons of each stage in the screenplay's creation -- the source material, the adaptations themselves, and the films made from the scripts -- in order to reveal the meaning behind each film script and to explain the cinematic techniques used to express that meaning. Unlike most Pinter scholars, who focus almost solely on the written word, Gale devotes discussion to the cinematic interpretation of the scripts through camera angles and movement, cutting, and other techniques. Pinter does not merely convert his stage scripts to screenplays; he adapts the works to succeed in the other medium, avoiding elements of the live play that do not work onscreen and using the camera's focusing operations in ways that are not possible on the stage. As Pinter's career progressed and

his writing evolved, screenplays became for him an increasingly vital means of creative expression. *Sharp Cut* is the first study to fully explore this important component of the Pinter canon.

Cognitive poetics is essentially a way of thinking about literature. The reader is encouraged to re-evaluate all the categories used to understand literary reading and analysis.

In a drama set in two bedrooms and a dark space, a man on his deathbed reviews his life, loves, and betrayals with his wife, while his two conspiratorial and emotionless sons sit in the shadows rationalizing their love-hate relationship with their now dying father and their inability to take steps to end the estrangement.

The Pulitzer Prize and Drama Critics Circle Award winning play—reissued with an introduction by Arthur Miller (*Death of a Salesman* and *The Crucible*), and Williams' essay "The World I Live In." It is a very short list of 20th-century American plays that continue to have the same power and impact as when they first appeared—57 years after its Broadway premiere, Tennessee Williams' *A Streetcar Named Desire* is one of those plays. The story famously recounts how the faded and promiscuous Blanche DuBois is pushed over the edge by her sexy and brutal brother-in-law, Stanley Kowalski. *Streetcar* launched the careers of Marlon Brando, Jessica Tandy, Kim Hunter and Karl Malden, and solidified the position of Tennessee Williams as one of the most important young playwrights of his generation, as well as that of Elia Kazan as the greatest American stage director of the '40s and '50s. Who better than America's elder statesman of the theater, Williams' contemporary Arthur Miller, to write as a witness to the lightning that struck American culture in the form of *A Streetcar*

Named *Desire*? Miller's rich perspective on Williams' singular style of poetic dialogue, sensitive characters, and dramatic violence makes this a unique and valuable new edition of *A Streetcar Named*

*Desire*. This definitive new edition will also include Williams' essay "The World I Live In," and a brief chronology of the author's life.
