The Soul of John Black is a celebration of the African American musical heritage. On Black John, JB masterfully combines soul, gospel, funk and hip-hop, while tracing its roots all the way back to its humble origins - the blues. JB infuses his uniquely crafted music with contemporary urban rhythms and hauntingly earthy acoustic slide guitar which at once pays tribute to a bygone era of such legendary figures as Leadbelly, John Lee Hooker and Muddy Waters, while boldly crossing over into new ...

The first two words describe this book to a "T". The Black Racism in this country is out of control and the author describes the reasons all whites should be aware of the false and out and out lies of the left wing Democrats and the biased media that refused time and again to call out what is really going on in your towns, villages, cities, and large metro areas across this country.
