Their lust for human blood struggles with their desire for the body of a beautiful man—and if they are truly lucky, they can satisfy both lusts at the same time. In these tales of the gay vampire, some of today's top erotic writers explore the duality of blood lust coupled with passion and sensuality, and the need of the vampire to take blood and give erotic delight in return.

In this collection of erotic vampire tales from authors Northwestern and Northwestern at heart, the creatures range from classic to alien, from dom to sub, from blood-drinking to soul-sucking. In Jeff Mann's "Summer Solstice Sacrifice," a burly, kilted vampire faces losing a lover or turning him before it's too late. Colleen Anderson's "Hold Back the Night" explores how cultural norms divide two very different women in Mumbai—one of them undead. A male vampire watches his wife solve his murder in Joscelyne Gray's "The Longest Death of the Year." And Sara Dobie Bauer in "Forever Dead" brings us a muscular, vamp-hunting detective with an uncomfortable hankering for a blood-sucking guy. Whatever your sexual orientation, you'll find something here for you.

Sooner or later, the thirst always wins... After a thousand years, Lucian had given up any interest in the world. His only concern that night was finding his next drink, preferably from a flavour-some twenty-something with loose morals and no expectations. Then he saw her... Kate is just a girl from the country, who came to the city with her brother to find a life away from their parents' car crash. That is until the police came knocking on her door one morning and ripped her new life apart. Now she has nothing and no one, with only one on her mind... When these worlds collide, and the things that go bump in the night come calling, can they mend the rifts in their souls and give each other what they need? Blood Lust is a sizzling-hot Paranormal romance. If you like strong-willed, sassy heroines and oh-so-bad, drop-dead gorgeous Vampire heroes with lots of bite, you'll love this page turner.

Bloodlust is a very erotic, extremely intense love story with a difference. It is also a vampire story in the finest tradition of Anne Rice's sexy novels, but much more explicit and set in contemporary Australia. The central character of Bloodlust is a young woman called Carmilla, who is attractive, headstrong, curious, sexually aggressive and wildly independent. She is also a vampire. An invader of the normal, a loner, hungry for experience and dedicated to her search for meaning. And blood. She meets a young man, Jonathan, at a party, and they are instantly and fatally attracted to each other; they begin a wild sexual affair that will not satiate their desires, and gradually they begin to explore sexual bloodsports, eventually luring others to their house to feed their fetish and fantasy games. Or at least Jonathan thinks they are games - but even he becomes alarmed by the lengths to which

Carmilla is prepared to go to satisfy her lusts...but by then his life is so entangled with hers he cannot break free from her spell... A dark, thrillingly erotic and chilling novel of sex and horror from a young writer of disturbing and powerful talents, Bloodlust is also a metaphor for the modern world. We live in an age of vampires - lusty, hungry, obsessed and isolated. Has the need for love gone underground? Do people disguise it, not admit they need it, seek it in other forms? Vampires embody society's social anxieties, particularly on the brink of a new millennium. They also at times fear life and long to die...Bloodlust explores the cruelty and primal lusts that lie just below humankind's surface respectability as well as hidden and forbidden power, life beyond the everyday, and the extraordinary within the ordinary.

Vampire, vampires, vampires, they are all here from the very first blood lusting vampire in history known as The Ancient One. There is Dracula the quintessential vampire and Vampiria the most erotically sexually depraved and hardcore vampire of them all. The murderous Alucard, son of Dracula is here as well as the vampire hunters and the bastard vampires that succumb to their every hardcore fetish and sado masochistic activity imaginable. This out of control debauchery started the vampire war that resulted in the rise of the newest, most blood lusting vampire in the 21st Century, a vampire more sado masochistic, deadly and depraved than any other vampire in history. Vampire, Origin of the Species is a full blooded vampire story for adults only, containing erotic taboo sex and the extreme horror of child exploitation. This is a story that stretches back to the dawn of humanity and follows the evolution of vampires so vile that come to prey on human blood. Through the ages these vampires evolve and develop along with

the human race to become sophisticated in the modern age. These murderous vampires develop into a predatory species with a blood lust matched by unquenchable desire for sexual pleasures of the flesh, pornography and sexual domination; a species being totally free of all the restraints of behavior indulging every spasm of lust, feeding each depraved hunger with the immunity that comes only with invincibility and immortality. The story awaits you here, so come I dare you to turn the pages, but be forewarned, the plot is blood soaked and the characters lustful and depraved.

Witness the illicit saga which leads to Marilyn Monroe's untimely demise and more in this twisted tale of glamour and seduction. Beware of kisses in the dark and the echo of eternity — which bears the curse of Daniel. Uncover the mystery of *The Stardust Inn* and the love triangle between Daniel, hotel proprietor, Annie Julliard, and her sister Vicki — while the Omni powerful Veronica, who has Daniel beneath her spell, has her own agenda. Meanwhile, FBI agent, Ronald Barrett, has been chasing Daniel down for over three decades for slaughtering his mother. Not your cookie cutter vampire tale, *BLOODLUST* is infused with horror, history and romantic suspense. It will illuminate your senses and take you to uncharted worlds beyond the imagination. "I found it a diabolical touch that Michael McCarty and Co-author Jody LaGreca in their new book *Bloodlust* introduced legendary Marilyn Monroe into the tapestry of their horror novel. From the moment Monroe enters the early

scenes of this strangely compelling novel to the final seconds when we find ourselves following the quiet movements of a black cat named Midnight. I predict you will be unable to put down Bloodlust. That's right, until you see it through to its very end. In a strange and mysterious way I have found my appetite increasing for their brilliant entree into vampires." -- The Amazing Kreskin, Worlds Foremost Mentalist "Michael McCarty and Jody LaGreca are masters at blending the macabre with the ordinary, the monster with the everyman with their vampire novel Bloodless. They can make a horrific killer seem quite affable, a dinner of barbecued human parts palatable, and a slit throat in lovemaking exquisitely erotic. McCarty and LaGreca write with inexplicably gruesome charm evident in Bloodless." - Patricia J. Espoito, author of the vampire novel Beside The Darker Shore "Authors Michael McCarty and Jody R. LaGreca have created a lovable roque in their character Daniel Peck, whose life is just about per-

fect until his former lover, Veronica shows up. Bloodless is a well written, fun read for horror and vampire fans everywhere." -Joan Mauch, author of Halifax
