The new seventh edition of Financial Accounting: Tools for Decision-Making by Kimmel, Weygandt, Kieso, Trenholm, Irvine and Burnley continues to provide the best tools for both instructors and students to succeed in their introductory financial accounting class. It helps stu-

dents understand the purpose and use of financial accounting, whether they plan to become accountants or whether they simply need it for their personal life or career.

The seventh edition of Canadian Business and the Law continues to be the preeminent resource for business students who require an understanding of the integral role the law plays in all business decisions. This product was the first to bring a risk management approach to Canadian business law textbooks and uses this framework throughout the text.
