USA TODAY, PUBLISHERS WEEKLY AND ECPA BESTSELLER • The internationally recognized Bible teacher and daughter of Billy Graham combines unique biblical insights and her own personal stories to show how the Holy Spirit guides us in our decisions, comforts us in pain, and stays by our side at all times, enriching our daily lives. In *Jesus in Me*, Anne Graham Lotz draws on her rich biblical knowledge as well as her personal journey—including her recent cancer diagnosis—to help us understand that the Holy Spirit is not a magic genie, a flame of fire, or a vague feeling. He is a Person who prays for us, guides us in our relationships and decisions, comforts us in pain, and stays by our side at all times. In this seminal teaching, she explores seven key aspects of the Holy Spirit that will revolutionize how you understand and relate to this vital third Person in the Trinity. As Anne writes, “One of my deepest, richest joys has been discovering by experience who the Holy Spirit is in every step of my life’s journey. Each name that He has been given—Helper, Comforter, Advocate, Intercessor, Counselor, Strengthener, and Standby—reveals another aspect of His beautiful character and has provoked in me a deep love for the One who is my constant Companion . . . Jesus in me.” Discover how to better love and rely on the person of the Holy Spirit—and embrace how much He loves you through His presence, power, and provision in our daily lives. Praise for *Jesus in Me* “With plentiful biblical references, Lotz encourages those who already rely on Jesus to step into a purpose-filled life led by the Holy’s Spirit’s guidance. Christians who desire to live a life of greater purpose to glorify God will be awed by Lotz’s impassioned exploration of the role of the Holy Spirit in her life.”—Publishers Weekly

A sympathetic, compassionate, and inspiring guide for parents—from the founders of one of the first Christian ministries for parents of LGBTQ children. Greg and Lynn McDonald had never interacted with members of the LGBTQ community until they discovered that their son was gay. Without resources or support, they had no idea how to come to terms with this discovery. At first they tried to "fix" him, to no avail. But even in the earliest days of their journey, the McDonalds clung to two absolutes: they would love God, and they would love their son. "An essential resource for Christian parents of LGBTQ kids," (Matthew Vines, Executive Director of The Reformation Project) this book follows the McDonald family's journey over the next twenty years, from a place of grief to a place of gratitude and acceptance that led the McDonalds to start one of the first Christian ministries for parents of LGBTQ children. Based on their experience from counseling and coaching hundreds of struggling Christian parents, they offer tools for understanding your own emotional patterns and spiritual challenges. They also help you experience a deeper relationship with God while handling difficult or unexpected situations that are out of your control. You will discover tested principles, patterns, and spiritual lessons that can change the way we all see our families, and help Christians at large think through Christ-like ways to respond to the LGBTQ community. Written in an unvarnished, honest, reassuring, and relatable voice, this is a practical guide for parents and a roadmap to learning to love God, the people He created, and the church, even when they seem to be at odds.
