The later strength of the British Empire has often veiled its early weaknesses, both actual and perceived. In Captives, Linda Colley tackles one aspect of this, Britons in captivity, focusing on the captivity narratives they produced and their reception. She covers three periods: North Africa in the 17th and 18th centuries, North America up to and including the American Revolution, and India ...

Re-examines the history of the British empire from the perspective of those held captive, exploring the dynamics between invader and invaded, the character of cross-cultural conflicts, and the meaning of empire. Small is vulnerable, small is aggressive ; People and stories matter ; Re-appraising empire -- Mediterranean : captives and constraints.
