U141J5 - GOODMAN FRANCIS

Celtic art is associated with the peoples known as Celts; those who spoke the Celtic languages in Europe from pre-history through to the modern period, as well as the art of ancient peoples whose language is uncertain, but have cultural and stylistic similarities with speakers of Celtic languages.. Celtic art is a difficult term to define, covering a huge expanse of time, geography and cultures.

Celtic Art: The Methods of Construction (Celtic Interest ...

The construction principles of Celtic art were re-discovered in the middle of the 20th century by George Bain. Until his writing, the intricate knots, interlacings, and spirals used in illuminating The Book of Kells and in decorating craftwork and jewelry seemed almost impossible, "the work of angels." In this pioneering work, George Bain shows how simple principles, no more difficult than ...

In a classic work by George Bain called "Celtic Art, the methods of construction," a slightly different design method is documented that I called the "Centerline" method. This is the method most easily identified in the Book of Kells. Many people find this method more complex because it requires more drawing and erasing of lines.
