23 Children's Books About Emotions For Kids With Big Feelings

Calm zone | Childline

Learning to recognize, verbalize, and manage feelings is an important part of social development in children. As young as pre-school age, children have the ability to identify their emotions and the emotions of others, speak about their emotions, and regulate

their emotions.

The collection includes feelings and emotions based printable posters, games, booklists and activity ideas to use with children across a range of ages. Learning to master big emotions and the associated skills of emotional regulation helps children to succeed not just in childhood but right through to adulthood.

Children S List Of Feeling Words - logisticsweek.com
Knowing what's important to you can help you to prioritise when you're under pressure or feeling overwhelmed. Write a list of your values and things that matter to you, like feeling calm, being kind or taking care of your pet. Look at your list every week and decide whether these are still important or if you want to add or remove something.

Calm zone | Childline
Kids experience complex feelings just like adults. They get frustrated, excited, nervous, sad, jealous, frightened, worried, angry and embarrassed. However young kids usually don't have the vocabulary to talk about how they are feeling. Instead they communicate their feelings in other ways.
