Earth Day celebrates our beautiful planet and calls us to act on its behalf. Some people spend the day planting flowers or trees. Others organize neighborhood clean-ups, go on nature walks, or make recycled crafts. Readers will discover how a shared holiday can have multiple traditions and be celebrated in all sorts of ways.

Scriabin was the precursor of many trends in 20th-century music--chord clusters, melodic fragmentation, serialism, and the psychedelic combination of sounds and colors now called mixed media. In this compilation of 30 contrasting pieces, the editor has included notations on fingering, pedaling and phrasing.

Coldplay - Visual Sheet Music with Letters is a method of learning featuring unique color-coded illustrations of sheet music. The most remarkable feature about this method is that it modifies standard sheet music and uses letters instead of note symbols, so those who want to play the piano can learn in a much easier and more visual way. This book contains the best of Coldplay in

piano tablature; a color coded, easy interpretation of piano music that requires little training. The piano tabs display right and left-hand fingering numbers with red and blue note letters. If you're a visual learner, intimidated with the complexities of reading standard piano sheet music, and want an additional tool to learn a Coldplay song this book is for you. This method of tablature is particularly helpful for piano beginners, and for those who want to learn new songs every once in a while. [PlayPianoByLetters.com](http://PlayPianoByLetters.com) is an interesting and fun way for musicians to play well-known songs on the piano.

From the hit TV shows *Glee* and *American Idol*, Journey's timeless tune will delight audiences. First debuted in 1981, this classic rock piece has been used in many movies as well. Melody Bober's arrangement for two pianos, eight hands, is written for intermediate pianists and is set up as two duets (Piano 1 and Piano 2) with primo and secondo parts on facing pages. This popular piece is fun to play while providing important listening skills, technique, rhythmic control, and musicianship. "Don't Stop Believin'" is excellent for recitals, piano ensemble classes, and "monster" concerts. A Federation Festivals 2016-2020 selection.

Telling time becomes clear and easy for young readers in this bright and lively introduction to measurements of time. From seconds to minutes, hours to days, exploring what time is and discovering why we need to tell time, helps young readers understand more than 'the big hand is on the one and the little hand is on the two'. Megan Halsey's playful illustrations depict imaginative digital and analog clocks that range in design. With the help of a whole lot of clocks, a dash of humor, and a few familiar circumstances, learning to tell time is a lot of fun. It's about time.
