Shape Sorting Cut and Paste Activity - Teach My Toddlers

Cut And Paste Shape Worksheet. Here is cut and paste shape worksheet for preschoolers and kindergarten. With this kind of worksheets, kids will improve their scissor using abilities. You can see there is a triangle, rectangle, square, and circle on the worksheet. This worksheet is printable. Have fun!

Last night, I decided since everyone LOVED the free Spring and Summer Color Cut and Glue projects why not create a shark. Download your free copy at the end of the post. This is a simple one page black and white activity to practice coloring, cutting out simple shapes, planning out where to glue the pieces (the trickiest part) and then paste the shapes together to create the shark.

Cut And Paste Shape Worksheet - Preschoolplanet

Cupcake Cut And Paste Printable Practice - Fun with Mama

I made some sorting colors cut and paste pages. There are three different pages you can print or you can just print one for your preschooler. Each page has 8 pictures with two different colors. Simply have your preschooler cut out each picture and then glue it in the box with the same color at the top.
