5 Key Concepts of Competitive Intelligence. CI isn't spying. Professionals don't participate in or condone the use of illegal or unethical means of gathering competitor intelligence. True CI ... Competitive intelligence isn't just competitor intelligence. Although part of CI's job is to keep an eye ...

How to Garner Executive Buy-in for Competitive Intelligence. The biggest obstacle to implementing competitive intelligence in an organization is the internal resistance to it. In certain cases, an organization's leadership simply fails to appreciate the value of CI; they see it as a cost center rather than as a profit center. Some managers may perceive CI as a threat or just another source of reports they already have in excess.
