2YGYG9 - PHILLIPS MAGDALENA

Gebhardt powerfully recounts how raped women continued to be the victims of doctors, who arbitrarily granted or refused abortions, welfare workers, who put pregnant women in homes, and wider society, which even today prefers to ignore these crimes. Crimes Unspoken is the first historical account to expose the true extent of sexual violence in Germany at the end of the war, offering valuable new insight into a key period of 20th century history.
