The bible for bringing cutting-edge products to larger markets—now revised and updated with new insights into the realities of high-tech marketing In Crossing the Chasm

Crossing the Chasm, 3rd Edition. In Crossing the Chasm, Geoffrey A. Moore shows that in the Technology Adoption Life Cycle—which begins with innovators and moves to early adopters, early majority, late majority, and laggards--there is a vast chasm between the early adopters and the early majority.

The current digital world offers a new opportunity to jump the chasm with mass market disruptive innovation (this is only in the third edition of Crossing The Chasm). Basically, when you have a B2C digital product which can go straight for the consumers and you don't need any distribution channel there's no chasm for you.
