Debt and Death in Rural India: The Punjab Story: Sidhu ...

A study of farmer suicides in rural Punjab from the mid-1980s up
to 2008. Based on comprehensive original research work, it ex-
amines various factors ranging from central to state policies and
critically analyses political, economic and social trends that led to
the dismal condition of the farmers between 1988 and 2008.

There are two main reasons for impoverishment and debt in the
rural household: illness and ceremonies. Without the benefit of ad-
equate insurance, a family that battles illness suffers immeasur-
ably. The loss of income along with medical expenses pushes them
to bankruptcy. Mostly they end up selling their assets.
