Remember: hearing is thought to be the last sense to go in the dying process, so never assume the person is unable to hear you. Talk as if they can hear you, even if they appear to be unconscious or restless. If possible, lower lighting until it is soft, or light candles, making sure they burn in a safe place.

Being with someone when they die | Dying Matters

If it's a regular spirit, such as one that is closely linked to you, such as a spirit guide or an angel, then the answer yes, they can almost always hear you - they can also respond - because they're always there. Then depending on what tools are available to them, this will determine how, if and when they respond, if they do.
