Fashion Primary & Secondary Research - Iqbal Yassin

It traces the history of fashion studies and provides readers with a guided introduction to the entire research process. It provides an overview of

the key methodological approaches such as ethnography, semiology and object-based research and shows the student reader how "to do" research by combining theoretical and practical perspectives.

The primary research I carried out was a questionnaire in which I asked around fifteen people who were teacher and students what they would expect to be in a fashion magazine for college, if they like the idea of having fashion included in the college magazine, would they read it the fashion pages, if the pages should be similar to a typical fashion pages in a fashion magazine.
