Attack of the Crab Monsters is a 1957 independently made American black-and-white science fiction-horror film, produced and directed by Roger Corman, that stars Richard Garland, Pamela Duncan, and Russell Johnson. The film was distributed by Allied Artists as a double feature with another Corman feature, Not of This Earth. The film concerns a second scientific expedition that is sent to a remote Pacific island to discover what happened to the scientists of the first. Unknown to them when they ar

*Attack of the Crab Monsters - Wikipedia*

A double attack is when two targets in the enemy camp are attacked at the same time. This often happens when pieces are "loose" or undefended. While there are a couple of competing or overlapping definitions for what constitutes a double attack, many players define a double attack this way.

Fans of classic black-and-white sci-fi/horror films from ca. the 1950s will LOVE this double-feature film set. The story line, great monsters, entertainingly cheesy special effects, acting, directing, editing, etc. are ALL fantastic! I would say that about all of Christopher Mihm's films, which I am a great fan of.
