The ultimate study companion to Picmonic for Nursing! Get ready to take NCLEX® studying to a new level with our 4 Weeks to NCLEX Workbook & Study Planner. This workbook takes all the stress out of studying. Once you finish the study schedule, you'll be ready to walk into your NCLEX exam with confidence. In this workbook you'll find over 150 pages covering: □ 100 unforgettable mnemonic pictures □ A study plan broken down week-by-week with checklists □ Fun review games □ Full color HD images □ A must-know Picmonic Playlist complete with study hacks. □ Plus tips and tricks to help guide you through NCLEX prep. *This is a COMPANION workbook to the Picmonic for Nursing app (available on the web via picmonic.com, iOS, and Android), and does not include story or text to replace the app. The app is irreplaceable, and this is to be used in addition to the course.

Demolish NCLEX(r) Nursing Pharmacology! Pharmacology makes up 15% of the NCLEX(r) test plan. For many nurses medications and pharmacology can be a difficult subject. But not anymore! If you are ready to finally take your NCLEX(r) Pharmacology studies to the next level . . . this is the perfect book for you! With hundreds of pages of the most vital facts about the most tested medications this ebook for nursing students is a must have. Jon Haws RN CCRN from NRSNG.com takes the most commonly tested medications on the NCLEX and in Nursing Pharmacology courses and outlines the MUST know information and nursing considerations so that you can demolish the NCLEX(r) and ace your Pharm course! Over 300+ Pages Jammed Packed This book essentially takes the guess work out of your studies and allows you to focus your valuable time on learning exactly what you NEED to know. Learn how to ACE the NCLEX(r) . . . Details nursing considerations in flash card format. The most important medications to learn. Obscure testable facts and nursing considerations for 140 medications. Detailed outlines of some of the most common classes of meds. Stop Wasting Valuable Time! It's all here! You have limited time to prepare for the NCLEX(r). Get more time by using this in depth guide of the only medications that you need to study to pass the NCLEX(r) with flying colors. We are dedicated to your success. In fact, this is the exact same list of questions that I used to pass the NCLEX(r) in 75 questions on my first try just two weeks after graduating nursing school. Cut Your Study Time in Half Once you know exactly what to study, you will save hours and hours of study time by cutting through the fluff and focusing your energy on exactly what you need to know. Included in the book is a FREE offer for a lab sheet that contains the 63 lab values you must know to be a great nurse! From NRSNG.com creators of Med of the Day Podcast and SIMCLEX.com the ONLY fully adaptive NCLEX(r) prep program! Scroll up to buy! Sandra Smith's Review for NCLEX-RN®, Thirteenth Edition is a comprehensive and current evidence-based RN content review. Following the latest NCLEX-RN exam blueprint, it features 2,500 NCLEX® formatted practice questions with detailed answers and rationales that stimulate critical thinking. The reader-friendly approach includes a clear and concise outline format with study guidelines and test-taking strategies. It also covers all of the latest trends, evidence-based treatment guidelines, and additional updated information needed for safe clinical practice and patient care. New to this edition is an expanded emphasis on patient safety, the National Patient Safety Goals and NCLEX® examination preparation, ties to QSEN competencies, and a greater focus on evidence-based clinical practice. Please note, Navigate TestPrep must be purchased separately.

Written by a distinguished educator and nursing text author, this rigorous review for the NCLEX-RN exam reflects the latest changes in the focus of the exam and mimics the exam structure. The author incorporates the new emphasis on client needs throughout the traditional course framework, giving students a unique, step-by-step path toward understanding and applying this key concept.

Ace your Pathophysiology course with the help of nursing review pioneer Marlene Hurst Use Marlene's "no cram, pass with what you already know" system to slash your study time in half Based on Marlene Hurst's popular nursing seminars that train over 30,000 students annually, this innovative review is loaded with the author's time-tested strategies - all designed to help you excel in your Pathophysiology course exams. Pathophysiology Review is unlike any other resource as it explains how to apply critical thinking and test-taking skills rather than how to re-learn course content. Marlene shows you how to "think on your feet" in order to succeed on your Pathophysiology exams. Features: A complete Pathophysiology course toolkit - from the world's most sought after speaker on nursing exam preparation Skill-building questions, answers, and explanations at the end of each chapter Concise, easy-to-remember strategies that cut study time in half Eye-catching full-color format Marlene Moments - Marlene's humorous anecdotes of common student mistakes that offer a light-hearted look at how new nurses learn to succeed What the NCLEX Lady Thinks - tips that reveal the rationale behind various NCLEX pathophysiology questions and how to adjust your strategy accordingly

Ace the NCLEX-RN--with the help of nursing review pioneer Marlene Hurst! Use Marlene's unique "no cram, pass with what you already know" system and slash your study time in half Based on Marlene Hurst's phenomenally popular nursing seminars that train over 30,000 students annually, this innovative review is loaded with the author's time-tested strategies--all designed to help you pass the NCLEX certification and course exams the first time around! NCLEX-RN Review breaks the mold of other review books by explaining how to apply critical thinking and test-taking skills, rather than how to re-learn course content. Marlene shows you how to effectively work with the "think-on-your-feet" philosophy of the NCLEX-RN, not against it. Features: A complete NCLEX-RN toolkit--from the world's most sought-after speaker on passing the NCLEX Over 1,000 skill-building NCLEX-style questions, complete with answers and rationales Full of concise, easy-to-remember strategies that cut study time in half! An eye-catching four-color format "Marlene Moments"--Marlene's humorous anecdotes of common student mistakes that offer a light-hearted look at how new nurses learn to succeed "What the NCLEX Lady Thinks"--valuable tips that reveal the rationale behind certain types of NCLEX questions and how to adjust your strategy

accordingly Chapter-ending NCLEX practice questions that solidify important information and show you how it will be tested on the NCLEX examination Downloadable material includes 300 additional NCLEX-style questions, plus downloadable MP3 audio tips from Marlene Hurst's award-winning NCLEX reviews

A thorough examination and explanation of cyclic price movements and how they can be applied to trading and investing. Summarizes the main points of the work of J. M. Hurst and explains each aspect thoroughly. Authored by a prominent British financial writer, whose earlier work, Channel Analysis, was eagerly sought by U. S. investors, but was not readily available in this country. This book updates, expands, and revises the concepts in Channel Analysis. Explains how price channels may be drawn around price action and combined with cyclical analysis to determine effective buying and selling points. Shows and explains methods that make it possible to predict some turning points months before they are due to occur.

Prioritization, Delegation, and Assignment: Practice Exercises for the NCLEX(R) Examination is the only review book on the market with a focus on prioritization and management of care--just like the current NCLEX Examination itself! The workbook's unique approach establishes your foundational knowledge and then provides exercises of increasing difficulty to help you build confidence in your prioritization, delegation, and patient assignment skills. It offers unique preparation for the NCLEX Examination and effectively equips you to practice in today's fast-paced healthcare environment. The only workbook available that provides in-depth practice with prioritization, delegation, and assignment questions similar to those you'll see on the NCLEX Examination, including questions in alternate item formats Unique three-part organization that (1) equips you with foundational skills to make sound decisions, then helps you apply those skills (2) in straightforward scenarios and (3) then in complex health scenarios In-depth Answer Key at the back of the book that provides not only the correct answer but also a detailed rationale and an indication of the focus of the question, whether prioritization, delegation, supervision, or patient assignment. Expanded content focus to include psychiatric/mental health, OB/maternity, and pediatrics along with med-surg areas New chapters on infection control and obstetrics and maternity Greater emphasis on questions involving core body systems and related health problems, such as diabetes and cancer, to best prepare you for the conditions you are most likely to encounter on the NCLEX Examination and in clinical practice Four new unfolding cases addressing long-term care, pediatrics, psychiatric/mental health nursing, and OB/maternity Additional emphasis on medication safety equips you to take appropriate actions to prevent or remediate medication errors Multiple-select questions revised to include at least 5 response choices each, keeping you up to date with the full range of NCLEX Examination item formats

Now there's a Canadian edition of the book that is often called the 'the best NCLEX(R) exam review book ever! Saunders Canadian Comprehensive Review for the NCLEX-RN(R) Examination provides everything your students need to prepare for the NCLEX exam -- complete content review and over 5,100 NCLEX examination-style questions in the book and online. This is the first edition to put the NCLEX-RN(R) exam in a Canadian context. An Evolve companion website includes instructor resources that make it easy to integrate this book into any course, along with detailed feedback and assessment for your students' work. Don't make the mistake of assuming the quality of the questions is the same in all NCLEX exam review books, because only this book includes the kind of questions that consistently test the critical thinking skills necessary to pass today's NCLEX exam. Even better, all answers include detailed rationales to help students learn from their answer choices, as well as test-taking strategies with tips on how to best approach each question. Written by the most trusted name in NCLEX review, Linda Anne Silvestri, and featuring special resources to help Canadian students succeed, this is THE book of choice for NCLEX preparation. Read any customer review or ask your colleagues to see why there's nothing else like it!

The thoroughly updated edition reflects the current NCLEX test plan and contains more than 5,000 test questions to help students practice taking the exam. The book contains more questions than any other NCLEX-RN review and includes more pharmacology-related questions.

A Davis's Notes book. Content review plus Q&A...perfect every time, every place, everywhere! Prepare for the NCLEX wherever you are--at home, in

the library, or on the bus. Here are the tips, strategies, techniques, and content you need—all in one pocket-sized resource. You'll review all major content areas while you hone your test-taking techniques. An access code inside unlocks 850 questions online at DavisPlus, with answers and rationales for correct and incorrect responses. See what students are saying about the previous edition...YES, YOU NEED THIS!!!! "This item was AWESOME, compact, and perfect for my studying. I passed on my first attempt! I highly recommend this little goody for all the soon to be RNs who are freaking out over their NCLEX appointment dates!" I found this to be a very useful pocket guide to keep in my purse. "I found this to be a very useful pocket guide to keep in my purse, and used it to study when I had down time. There was great information in there and I would recommend it." "Overall, very useful. Was able to get thru most of it before my NCLEX. I passed and am thankful to this book. Good luck!"

Ensure your students' success on the NCLEX-RN exam with Cengage Learning's COMPLETE REVIEW FOR NCLEX-RN, Second Edition. After completing a recognized nursing curriculum and meeting state requirements, your students are ready to tackle the National Council of State Boards of Nursing NCLEX-RN exam, and this review covers it all. The stimulating, full-color text offers more than 1600 practice questions with answers in multiple formats, with 67 chapters of review content. Test questions are coded to reflect the recommended test-taking plan and strategies, while answers include rationales for both correct and incorrect assumptions. Endorsed by the National Student Nurses Association (NSNA), COMPLETE REVIEW FOR NCLEX-RN, Second Edition emphasizes delegation, prioritization, and critical thinking methods that prepare students for the exam's rigor and also builds their confidence. COMPLETE REVIEW FOR NCLEX-RN, Second Edition is the one-stop NCLEX-RN exam preparation tool recognized by successful registered nurses today. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Comprehensive and easy to read, this authoritative resource features the most up-to-date, research-based blend of practice and theory related to the issues that impact nursing management and leadership today. Key topics include the nursing professional's role in law and ethics, staffing and scheduling, delegation, cultural considerations, care management, human resources, outcomes management, safe work environments, preventing employee injury, and time and stress management. Research Notes in each chapter summarize relevant nursing leadership and management studies and show how research findings can be applied in practice. Leadership and Management Behavior boxes in each chapter highlight the performance and conduct expected of nurse leaders, managers, and executives. Leading and Managing Defined boxes in each chapter list key terminology related to leadership and management, and their definitions. Case Studies at the end of each chapter present real-world leadership and management situations and illustrate how key chapter concepts can be applied to actual practice. Critical Thinking Questions at the end of each chapter present clinical situations followed by critical thinking questions that allow you to reflect on chapter content, critically analyze the information, and apply it to the situation. A new Patient Acuity chapter uses evidence-based tools to discuss how patient acuity measurement can be done in ways that are specific to nursing. A reader-friendly format breaks key content into easy-to-scan bulleted lists. Chapters are divided according to the AONE competencies for nurse leaders, managers, and executives. Practical Tips boxes highlight useful strategies for applying leadership and management skills to practice.

A classic resource that has helped nurses pass the NCLEX exam for over 60 years, Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination, 20th Edition is fully updated to reflect the newest NCLEX-RN test plan. Content review is presented in a concise and full-color outline format organized by the core areas of medical-surgical, pediatric, maternity/women's health, and mental health nursing, with a practice test following each unit. More than 4,200 practice questions and rationales -- including more than 600 questions in the newest alternate item formats -- are written by a team of trusted NCLEX experts led by author Patricia M. Nugent. This title includes additional digital media when purchased in print format. For this digital book edition, media content may not be included.

This is a unique case study reference for students in the medical surgical nursing core course and a review/workbook for students about to embark on the NCLEX-RN exam. Unlike other reviews, the book embeds required information into compelling, unfolding case studies—studies that evolve over time—in order to promote active learning and facilitate knowledge retention. These unfolding case studies are of particular value because they closely mimic real-life situations in nursing and provide situational mental models that assist students with problem-solving and critical thinking techniques. The unfolding case study method also assists in the development of skills that are important for NCLEX-RN success in assessment, planning, intervention, and evaluation of patient care. All content areas required for NCLEX-RN success—safe and effective care, health promotion, physiological and psychological integrity—are interwoven in an enjoyable format that dispels the drudgery of straightforward memorization. A variety of NCLEX-style question formats are used throughout the book to help students assess their own learning. Additionally, eResource links to additional information are included throughout the book. Key Features: Uses unique unfolding case study method to present medical-surgical concepts Promotes active learning and knowledge retention Develops problem-solving and critical thinking skills Provides all of types of NCLEX-style questions for exam preparation Offers eResources throughout the Review for enhanced learning opportunities

NCLEX-RN AudioLearn is a complete audio review for the NCLEX-RN. This audio course helps you study for this challenging test in three powerful ways: You can study anytime, anywhere. On your commute to work or school, at the gym or while shopping, and before you go to sleep. You will remember the key points tested on the NCLEX-RN like the lyrics to your favorite song. You will greatly increase your study time efficiency allowing you to do other things important to you. NCLEX-RN AudioLearn covers all sections of NCLEX-RN including: Safe, effective care environment Health promotion and maintenance Psychosocial integrity Physiological integrity And much, much more! Each topic is thoroughly discussed then followed by a question and answer and definitions session to reinforce the material reviewed in the context of the actual NCLEX Test. This is followed by a complete comprehensive test.

lene Moments: Tell you humorous stories of common student situations and mistakes Deadly Dilemmas: Alert you to situations that could affect patient safety Here's the Deal: Gives you an understanding of complex nursing and pathophysiology concepts Hurst Hint Helps you to understand core nursing content Factoids Teach you important clinical nursing facts and important points you need to know

CliffsNotes NCLEX Cram Plan is the perfect way to review for your RN or PN nursing exam whether you have two months, one month, or even one week left to prepare! CliffsNotes NCLEX-RN Cram Plan uses calendars to create a specific study plan for test-takers depending on how much time they have left before they take the test. Also included is a specialized NCLEX-PN study plan, meaning that NCLEX-PN test-takers can use this book to pass their nursing exam, too! The NCLEX-RN test is taken by individuals who want to become a registered nurse; the NCLEX-PN test is taken by those who want to become a practical nurse. Features of this plan-to-ace-the-test product include: Timed, boxed calendars for preparing to take the test—2--month study calendar, 1-month study calendar, and 1-week study calendar Diagnostic test that helps test-takers pinpoint strengths and weaknesses so they can focus their review on topics in which they need the most help Subject reviews that succinctly cover need-to-know topics on the tests in a list format Model practice test with answers and explanations Administered by appointment year round, more than 230,000 candidates take the NCLEX-RN test annually, and almost 65,000 candidates take the NCLEX-PN. The average passing rate for each test is only 70%.

This new edition focuses on preparing your students to assume the role as a significant member of the health-care team and manager of care, and is designed to help your students transition to professional nursing practice. Developed as a user-friendly text, the content and style makes it a great tool for your students in or out of the classroom. (Midwest).

If you want to pass the NCLEX-RN Test, but don't have a lot of time for studying keep reading..... You are no doubt a busy student with a lot of things going on! It can be challenging to find the time to read your textbook in preparation for the NCLEX Exam. However, the truth is that the NCLEX exam is a challenging test, and you are given a maximum of 6 hours to complete the test. Thorough preparation cannot be overlooked therefore. That is why the author Kim Nguyen, a nursing professional, developed the NCLEX Study Guide! This Edition is a complete review edition. It reviews all essential concepts found on the exam, from all categories of the test. It comes in text format, so that you can listen to it while at the gym or stuck in traffic! It's sections include: Preparing for the NCLEX-RN Exam Basic Care & Comfort Health Promotion and Maintenance Management of Care Pharmacological and Parenteral Therapies Physiological Adaptation Psychosocial Integrity Reduction of Risk Potential Safety and Infection Control MUCH, MUCH MORE! Each section is divided into further subsections making sure all aspects of the exam are covered! If you read our study guide, and take the time to really understand the concepts, we are confident you will pass the NCLEX-RN Exam, and be on your way to a new career in nursing!

Master the critical-thinking and test-taking skills you need to excel on the prioritization, delegation, and management questions on the NCLEX-RN®. Three sections provide you with three great ways to study. In the first section, you'll find individual and multiple client care-focused scenario questions organized by disease process with rationales and test-taking hints. The second section features seven clinical case scenarios with open-ended, NCLEX-style questions. The third section is a comprehensive, 100-question exam.

Print+CourseSmart

Nursing exam review for students preparing for the NCLEX. Uses cartoon-type illustrations, mnemonics, coloring exercises, and other alternative techniques. -- from Product Description
