There are different reasons for downsizing the family home. They may be of a financial or organizational/practical nature, but one way or the other: Downsizing the family home into a smaller version can be a challenge. It also comes with various benefits, so let us have a look at both aspects.

But did I mention that we are a family of 5, and not just a normal sized family of 5? My husband is almost 7 feet tall so our children are pretty tall too. However, we decided that downsizing was right for us because in our larger home we started out each having our own bedrooms.

Downsizing doesn't have to be a hassle or a horrible experience—it may sound like it, and parting with the things you own can definitely be emotional, but try to think about the life you'll get ...
