The World Is No Longer Flat Culo is an art, fashion, and pop-culture movement that defies all national, cultural, and linguistic boundaries. No matter if you were raised to call it derriere, tush, rear end, or booty, culo is the new epicenter of female sexuality, desire, and empowerment. Over the past decade, some of the world's most celebrated women have subtly shifted our long-held ideals of physical perfection toward a shape that is more authentic and bold. While culo has long been venerated in certain cultures, it is now becoming the object of worldwide mainstream admiration. This emerging global love affair with culo is as much about the blending of African, Latin, European, and Asian beauty as it is about celebrating the female form's most coveted asset. Culo by Mazzucco pays tribute to this phenomenon through a singular artistic vision. In more than 200 photographs and artworks created on location around the world, a diverse group of women—some already legendary, some about to become so—embody

the spirit of culo and the start of a new era of beauty.

It's a town gone extra crazy for the holidays, and Haley is sticking out like a sore thumb with her very much Grinch-self. But enter sexy sheriff Spencer Lane...Tall, muscled, and made with an extra dose of sex appeal, he is exactly the kind of man that Haley should be avoiding. She can't afford to let Spencer learn all of her secrets, a tough job since she is living with the man. No sex, though. It's purely a business relationship. Except...the holidays in the South sure do get HOT. Or maybe that's just sexy Spencer. Usually, Ha-

But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh—um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is going to hurt her. No one is going to threaten her. Not in his town. Not on his watch. The nice guy will show Haley just how bad he can be. A dark, engrossing, blood-drenched tale of the familiar threats to female power—and one girl's journey to regain it. Five starred reviews greeted this powerful story from Elana K. Arnold, author of the Printz Honor winner *Damsel*. You are alone in the woods, seen only by the unblinking yellow moon. Your hands are empty. You are nearly naked. And the wolf is angry. Since her grandmother became her caretaker when she was four years old, Bisou Martel has lived a quiet life in a little house in Seattle. She's kept mostly

to herself. She's been good. But then comes the night of homecoming, when she finds herself running for her life over roots and between trees, a fury of claws and teeth behind her. A wolf attacks. Bisou fights back. A new moon rises. And with it, questions. About the blood in Bisou's past, and on her hands as she stumbles home. About broken boys and vicious wolves. About girls lost in the woods—frightened, but not alone.

Neo-Hasidism applies the Hasidic masters' spiritual insights—of God's presence everywhere, of seeking the magnificent within the everyday, in doing all things with love and joy, uplifting all of life to become a vehicle of God's service—to contemporary Judaism, as practiced by men and women who do not live within the strictly bounded world of the Hasidic community. This first-ever anthology of Neo-Hasidic philosophy brings together the writings of its progenitors: five great twentieth-century European and American Jewish thinkers—Hillel Zeitlin, Martin Buber, Abraham

Joshua Heschel, Shlomo Carlebach, and Zalman Schachter-Shalomi—plus a young Arthur Green. The thinkers reflect on the inner life of the individual and their dreams of creating a Neo-Hasidic spiritual community. The editors' introductions and notes analyze each thinker's contributions to Neo-Hasidic thought and influence on the movement. Zeitlin and Buber initiated a renewal of Hasidism for the modern world; Heschel's work is quietly infused with Neo-Hasidic thought; Carlebach and Schachter-Shalomi recreated Neo-Hasidism for American Jews in the 1960s; and Green is the first American-born Jewish thinker fully identified with the movement. Previously unpublished materials by Carlebach and Schachter-Shalomi include an interview with Schachter-Shalomi about his decision to leave Chabad-Lubavitch and embark on his own Neo-Hasidic path.

Courtney Hendricks will never forget the magical summers she spent on Nantucket with her college roommate, Robin Vickerey, and Robin's charismatic, turbulent, larger-than-life family, in their gorgeous island house. Now a college English professor in Kansas City, Courtney is determined to experience one more summer in this sun-swept paradise. Her reason for going is personal: Courtney needs to know whether Robin's brother James shares the feelings she's secretly had for him. Time with the Vickerey family always involves love and laughter, and this season is no different. Vivacious matriarch Susanna Vickerey is celebrating her sixtieth birthday, but beneath the merriment, trouble is brewing. The fami-

ly patriarch, Dr. Alastair Vickerey, is quiet and detached, while unspoken tension looms over oldest son Henry, a respected young surgeon. Warm and witty Robin, the most grounded of the siblings, is keeping a secret from her parents. Iris, the colorful baby of the brood, remains rudderless and in need of guidance. And the sexy, stunningly handsome, untouchable James—to Courtney's dismay—may be in love with a beautiful and vibrant local artist. The Only Question Is Will Their Love Survive? When Sara and Jacob find out they're pregnant with a baby boy, nothing could make them happier. They were your typical expecting parents - deeply in love, deliriously excited to be starting a family. However, their hopes are dashed when the doctor gives a recommendation for Sara to take an AFT. Five words change their destiny forever... “Your son has Trisomy 21” Their perfect love story unexpectedly spirals into panic, and their dream shatters with it - devastating Sara. Jacob, confused and troubled with the situation,

tries to prompt Sara into following the doctor's suggestion: terminate the pregnancy; assuring her that they can try again. Sara angry at even the thought of destroying the life inside of her, rejects him. Their love, marriage and future suddenly start to fall apart; sending them both on very different journeys... Chapter 1 - Bacon Sara stared out the window in awe. The branches of the trees in the backyard swayed back and forth in the light breeze, the sun's rays piercing through the leaves causing shadows to dance across the wilted grass. Sara practically floated around the kitchen in her excitement which filled the room along with the smell of the sizzling bacon she was cooking. After years of being married, Sara knew exactly how to rouse her husband from sleep, and she knew that the aroma would eventually coax him out of bed. Elated, she let out a girlish laugh. Today is going to be perfect, she thought. Sizzling and crackling sounds from the frying bacon echoed from the kitchen. She was certain that last pop would have woke him up but she didn't care because she was having too much fun. She let her hand rest on her pregnant belly, patting it affectionately. "I hope you like it out here," she murmured to herself and as if on cue, she felt a tiny flutter in her stomach. Being pregnant was unlike any other chapter of her life, she had never felt more purposeful. She felt like a mess of contradictions. Completely afraid and simultaneously stronger than ever. Powerful, yet unattractive but her mother-in-law had assured her that it was all just the hormones. It didn't stop her from feeling like a thanksgiving turkey, although she did appreciate everyone's attempt at making her feel better. It wasn't long before Jacob's head peeked around the corner, sleepy eyed and resembling more of a toddler than a grown man. His golden hair was

creased in the middle, pointing up on one side and flattened on the other. He flashed a smile at her, "What's all this?" She chuckled, "You have some serious bed head Mr. Michaels." Without a word he came up behind her, wrapping his arms around her waist and placing his hands on her stomach. "Should you really be standing up for such a long time, Mrs. Michaels?" "I'm fine Jacob," she replied. "Besides the doctor said walking is healthy for me and the baby, so standing shouldn't hurt." She laughed patting his cheek playfully. He left a butterfly kiss where her fingers brushed against his lips. "Well, if physical activity is helpful..." Her grin gave way to a full smile as she reached back to swat him. After a short pause he continued, "Seriously, do you know what would make this day better?" She raised her eyebrow, expecting him to say something suggestive (which was typical of him). He spun her around in his arms so that she was facing him, her belly protruded slightly between them making him hold her awkwardly but he went on pretending she didn't notice. "I was just going to say, what would make this day better..." he trailed off looking deeply into her eyes. "is finding out we're having a boy today." She let out a bark of laughter "Really, that's not where I thought you were going with that."

"An original study of Gauguin's writings, unfolding their central role in his artistic practice and negotiation of colonial identity. As a French artist who lived in Polynesia, Paul Gauguin (1848-1903) occupies a crucial position in histories of European primitivism. This is the first book devoted to his wide-ranging literary output, which included journalism, travel writing, art criticism, and essays on aesthetics, religion, and politics. It analyzes his original manuscripts, some of which are richly illustrated, reinstating them as an integral component of his art. The seemingly haphazard, collage-like structure of Gauguin's manuscripts enabled him to evoke the "primitive" culture that he celebrated, while rejecting the style of establishment critics. Gauguin's writing was also a strategy for articulating a position on the margins of both the colonial and the indigenous communities in Polynesia; he sought to protect Polynesian society from "civilization" but remained implicated in the imperialist culture that he denounced. This critical analysis of his writings significantly enriches our understanding of the complexities of artistic encounters in the French colonial context."--Publisher's description.

An invisible mountain rises above the streets of London. At over 1,400 metres it's Britain's highest peak. This ingenious book is an account of the ascent of Mount London by writers, poets and urban cartographers, each scaling a smaller urban mountain - from Crystal Palace to Parliament Hill. Mount London is a visionary record of the vertical city. Contributors: Matt D. Travis King is the worst kind of asshole. He taunts me for being a good girl and mocks my high standards. He's cruel, crass, and has enough confidence to last two lifetimes. And I hate him. It wouldn't matter so much if he were avoidable. But considering he's my older brother's best friend and roommate, I see him more than I'd ever want to. His sculpted abs and gorgeous eyes are wasted on such an arrogant man, which makes me hate him even more. Even though I've had a crush on him since I was ten, the feelings weren't mutual and he's always made that very clear. He's always loved getting under my skin and one night against my better judgment, I let him in my bed. I've succumbed to his manwhore ways, but that doesn't change a thing. Because the King is about to get played at his own game-and lose. Check-mate.

They may ride off into the sunset, but cowboys never go out of style. These manly men embody the fiercely independent, earthy alpha male and hero who isn't afraid to show the gentle, nurturing side of his complex nature when faced with a woman in need. Even when he's coated with dust from riding behind a herd of cattle or up to his knees in mud freeing a calf from a wallow, this stud still generates a lot of Cowboy Heat. Delilah Devlin's *Cowboy Lust* was a sensation, hitting the top ten of romance books and generating a river of praise. Award-winning Devlin is back on the ranch with stories of rugged romantics, rough riders, and rope wranglers sure to satisfy any reader who craves the idea of that gruff, romantic hero, a man of few words but many moves. Cow-

boy Heat sits tall in the saddle, winning hearts and spurring readers to new heights of happiness.
