EUROPEAN COMPARATIVE COMPANY LAW

Company law is undergoing fundamental change in Europe. All European countries have undertaken extensive reform of their company legislation. Domestic reform has traditionally been driven by corporate failures or scandals. Initiatives to make corporate governance more effective are a feature of recent European law reform, as are measures to simplify and ease burdens on smaller and medium-sized ...

EUROPEAN COMPARATIVE COMPANY LAW

Comparative Company Law provides a systematic and coherent exposition of company law across jurisdictions, augmented by extracts taken from key judgments, legislation, and scholarly works. It provides an overview of the legal framework of company law in the US, the UK, Germany, and France, as well as the legislative measures adopted by the EU and the relevant case law of the Court of Justice.

European and Comparative Company Law: Capital Market ...

All European countries have undertaken extensive reform of their company legislation. Domestic reform has traditionally been driven by corporate failures or scandals. Initiatives to make corporate governance more effective are a feature of recent European law reform, as are measures to simplify and ease burdens on smaller and medium-sized businesses (SMEs).

European Comparative Company Law by Mads Andenas

Comparative company law is at once very old and very modern. It is very old because ever since companies and company laws first existed, trade has not stopped at the frontiers of countries and states. The persons concerned, practitioners as well as rule-makers, had to look beyond their own city, country, rules, and laws. But comparative company law is also very modern.
