#1 Best Seller in Technical Writing ReferenceYour Life Organized and at Your Fingertips in Minutes Searching public information is easy. You just google it. But finding personal information - like the business card of that yoga instructor, your new medical insurance card, the parking ticket you got at the conference - that stuff is hard. Why? Because personal information loves to hide. Where does it hide? It hides in these places: That mess on your desk Your filing cabinets Your hard drive folders Your email inbox Your bankers boxes The top of your bookcase Your dresser drawers Productive and Stress-Free Let's face it. People who are on top of their game in life are organized. And disorganized people are usually stressed out. Often very stressed out. Imagine trying to find your medical insurance card by pawing through a cluttered drawer. Try that while you're on the phone with medical office staff. Imagine having every piece of relevant information at your fingertips. You can have every project - from your new cookbook, your new website, and your new outdoor deck - neatly organized and all available online. Master Evernote in Minutes And it just takes a few minutes to get up and running. Because it's intuitive and easy-to-use, you won't have to spend hours reading some

complicated manual. Evernote is forgiving. And it's friendly. And it can also be pretty darn fun. To get started, take a look inside.
