June 2017).

Cambridge Manuals in Archaeology - Wikipedia

In the lead up to the publication of the Corinth Excavation Archaeological Manual, I surfed the web a bit and found pulled together this little list of about 25 manuals that I could find doing simply Google searches on the internet. Of this group, only 6 are published manuals (in the broadest sense) included the classic J.P. Droop manual from 1915 and the frequently cited Dever and Lance manual from the late 1970s.

Suggested Reading and Bibliography

“excavate” in American English. > to dig a hole or channel in the ground, or to make a hole or channel by removing earth: [I] We’ll be excavating here for the foundation of the building. > To excavate is also to remove earth from a place in order to find old objects buried there: [T] Archaeologists are excavating a site near the cathedral.

EXCAVATE | definition in the Cambridge English Dictionary

If an excavation wants to develop their own manual, the Corinth Manual may mean that they do not need to reinvent the wheel; they will be using a tool that itself has benefitted from the experience of other manuals such as MoLAS, the Gezer manual and ultimately J. P. Droop’s Archaeological Excavation (Cambridge 1915). The manual has already benefitted those designing projects at Thebes, Sikyon, Sparta, Mycenae, Nemea, Priniatikos Pyrgos and Molyvoti.
