The study of science, when you consider all of the incredible discoveries that have come out of it, is arguably the greatest journey mankind has ever embarked upon. It has allowed us to come to grips with more than what the naked eye can see and put into perspective where we are in the universe, what the universe even is and how exactly we got here. What can you tell us about science from a ...

spend revising is effective.

### Year 7 Science Revision Booklet - Bishop Wordsworth's School

This unit revises work from Year 7 on balanced forces, and looks at how drag forces can be reduced. It goes on to look at forces that are spread out over an area, magnetic and electromagnetic forces, and finally at levers. The work is set in the context of transport and how we use it. Pupils complete a test at the end the topic.
