The traditional symbols of the Usui System of Reiki take a key position in this unique tradition. Without them and their mantra's, Reiki is not possible. The dedication rituals necessary for the practice of Reiki as well as the complex healings can only be accomplished on the foundation of Usui symbols with the certainty and effectiveness one expects from Reiki. Written in a remarkably precise and lucid style by two foremost authors on Reiki, this compendium reveals indispensable information of tremendous spiritual value.

From master Reiki teacher Lisa Campion comes The Art of Psychic Reiki, a one-of-a-kind, step-by-step guide for learning the sacred art of Reiki while cultivating the psychic and intuitive skills crucial to this healing energy work. Reiki is a gentle yet powerful, hands-on energy healing method from Japan that's been gaining in popularity over the last century—not only with bodyworkers and massage therapists in the West but also with medical professionals who can attest to its healing power. Born from the author's decades of experience with Reiki healing and her own methods, The Art of Psychic Reiki provides everything you need to know about this healing art, including the critical psychic development and empathy training that prepares healers to go out and do the work they were meant to do. If you're drawn to the healing art of Reiki, you might be a highly sensitive person, with high levels of empathy, intuition, and latent psychic abilities (a combination of intuition and inner knowing, plus the ability to connect with higher wisdom). And since Reiki is a form of energy healing, many new practitioners may experience what's called a psychic opening as they learn or practice. For this reason, it's important that every Reiki practitioner master the ability to navigate their empathic and psychic sensitivities while engaged in this work—and this book can help. Whether you're new to Reiki or you're a practitioner seeking to deepen your knowledge and enhance your skills, with this guide you'll learn how to use Reiki to heal yourself and others, cultivate and trust your natural intuition, develop your empathic and psychic abilities, work with your spirit guides, and ground and protect yourself as a practitioner of this sacred healing art.

An illuminating guide to one of the fastest-growing spiritual healing practices in the world and an essential tool for anyone ready to bring healing into his or her life. Perhaps the gentlest healing therapy in the world, Reiki originated in early twentieth-century Japan. In this indispensable guide to Reiki, one of the foremost experts traces the origin and development of the practice, detailing how and why it restores and renews the human body in ways we've only begun to understand. A pioneer in bringing Reiki into mainstream medical practice, Miles draws on her unique background to explain how this therapeutic technique, which involves a gentle laying on of the hands, complements conventional medi-

cal treatments and can hasten recovery from invasive surgical procedures, as well as ease the symptoms of cancer, insomnia, depression, anxiety, and other conditions. With compassion, wisdom, and the accumulated experience that comes from nearly twenty years as a Reiki practitioner, Pamela Miles empowers readers by showing how simple it is to take.

Reiki is an ancient and profoundly simple system of "laying on of hands" healing derived from Tibetan Buddhism. In the West, Reiki has been kept highly secret for many years. ESSENTIAL REIKI presents full information on all three degrees of this healing system, most of it in print for the first time. Teaching from the perspective that Reiki healing belongs to all people, Diane Stein breaks new ground in her classic guide to this ancient practice. While no book can replace the directly received Reiki "attunements," ESSENTIAL REIKI provides everything else that the healer, practitioner, and teacher of this system needs.
