cational purposes and is not intended as a substitute or replacement for "Five Frogs on a Log"

This is the story of a family of unique frogs looking for a better place to live. Their current area of habitat is a mess: the pond where they swim is not only too small for their growing families, but has become rather dirty, as well. The surrounding forest has also become too dangerous for the frog families. One night, a few of the young frogs overhear their parents and the other older frogs talking about the terrible situation and that they need to relocate. So Lia, the oldest of the kid frogs, decides to come up with a plan. She and Dom the Bomb (that's his nickname) gather their relatives and the plan is put into motion. Read along as this group of young frogs teach us the values of courage and perseverance, and that families who stick together can accomplish anything! Long live the Five Frogs on Biscuit Bay!

This introduction to mindfulness meditation for children and their parents includes practices that can help children calm down, become more focused, fall asleep more easily, allevi-

ate worry, manage anger, and generally become more patient and aware. Text and color illustrations introduce frogs and their vital role in environmental balance in places all over the world.

Brian Tracy gives the advice of doing the most difficult task first so that you can feel positive about yourself and move on to the other tasks of the day.

This book is an adaptation of a counting song, Five Happy Frogs (c)2018, written by the author, Erik Dunton. This little ditty explores one happy day at the pond, full of counting and fun. With its lyrical text and colorfully illustrated pages, your child will love to read over and over again. So cuddle up, read aloud, and count away! One. Two. Three. Four. Five Happy Frogs! Frank wasn't satisfied doing ordinary frog things.

He wanted to fly, but he was a frog and frogs can't fly. Follow along as Frank jumps and runs and leaps and dives until he finally finds his place in the pond. The companion book on CD will transport listeners into Frank's world with sound effects and wonderful performances by children and adults. Full color.

Wonderful illustrations and tellings of classic nursery rhymes.

A riddle: Five frogs are sitting on a log. Four decide to jump off. How many are left? Answer: Five Why? Because there's a difference between deciding and doing. Written by Mark L. Feldman and Michael F. Spratt of PricewaterhouseCoopers, *Five Frogs on a Log* offers readers an entertaining and no-nonsense field guide to the mergers and acquisitions jungle, packed with insight and instruction for executing corporate change and capturing shareholder value. Whether you're buying another company or acquiring a new vision of the future, this book proffers an unconventional perspective and a practical, readily accessible set of solutions to the single greatest challenge facing today's managers: executing rapid transitions ion

mergers, acquisitions and gut wrenching change. Designed for corporate managers and CEOs caught up in the whirlwind of change, every chapter provides accessible ideas and wisdom for navigating the most demanding business transitions. The authors offer a unique hands-on perspective based on their work with top Fortune 500 firms. As they state: "Increasingly, the companies that win are those that learn faster, act quicker and adapt sooner. They will compress time by making and executing early, informed decisions about economic value creation, ruthless prioritization and focused resource allocation. They will use these decisions to take early firm stands on management deployment, organization structure and culture. Their actions will increasingly be linked to long-term, sustained economic value creation." The advice and expertise offered in this book can be used to solve a range of operational problems from speeding up new product development to merging two businesses; from changing company culture to repositioning a business in a while new marketplace. Whatever the challenges and opportunities facing you, your

company, your industry, *Five Frogs on a Log* will move you from deciding to doing.

Ten frogs jump on a log one after the other until they all fall off.

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

When FlipFlop tries to cross the bridge to join her friends, she runs into the Bully Frogs Gruff. Those bullies threaten to eat FlipFlop if she tries to cross! Even though those gruff, tough, and buff Bully Frogs scare FlipFlop, she's determined to pass. Can she outwit them all and make some new friends?

Counting Goats is a fresh, funny counting book from picture book superstars Mem Fox and Jan Thomas.

Frog loves his log, so when a storm washes away his home, he tries everything to hang on as he drifts downstream. But when Frog has to abandon his log, he finds another ...or so it seems.

Finkelhopper Frog's jogging style and wild jogging suit meet with criticism until he runs into Ruby Rabbit, who teaches him that being part of the crowd doesn't mean casting aside your own froggy

style. Reprint.

A group of frogs are living happily in a peaceful pond, until they discover a surprise visitor: a little pink pig. Sitting contentedly on a rock in the middle of their pond, the pig opens his mouth and says: RIBBIT! The frogs are bewildered at first, and then a bit annoyed—"What did that little pig just say?", "Does he think he's a frog?", "Is he making fun of us?" Soon the pig draws the attention of all the nearby animals; everyone is curious to know what he wants! After much guessing (and shouting) and a visit to the wise old beetle, the animals realize that perhaps the pig was not there to mock them after all—maybe he just wanted to make new friends! But is it too late? This is a warm, funny, and beautifully illustrated story of friendship, with boisterous RIBBIT!s throughout—perfect for reading aloud.

Introducing *Five Little Speckled Frogs*, an adorable counting-down book based on the beloved rhyme. This tactile book offers plenty for young children to look at and explore, helping in their early learning!

"This is the turtle that slid

into the pond and ate the snake that dropped from a branch and swallowed the fish that swam after the frog -- JUMP, FROG, JUMP!" This infectious cumulative tale will soon have the young frogs you know jumping and chanting with joy.

Years after a great oak tree tumbled to the ground, a whole community of animals made it their home. Roly-polies and daddy longlegs prowled here and there, while chipmunks and salamanders dashed everywhere. Question: Is the old tree alive? Or is it now dead? This lighthearted book offers a marvelous insight into a unique and easily-accessible community of forest animals. Jennifer DiRubio's vivid close-up illustrations bring these fascinating creatures to life. Parents and teachers: the author offers over a dozen "activities, projects, and lots of cool ideas" ranging from suggestions for an animal diary, readers theatre, finger play, and much more that will help make learning fun.

A "sublime and gripping novel ... about hope: that within the world's messy pain there is still room for transformation and healing" (Madeline Miller, New York Times bestselling author of *Circe*), from the ac-

claimed author of *Canto-ras*. "In the president's excruciating (and sometimes humorous) encounters with his strangely healing frog ... De Robertis daringly invites us to imagine a man's Promethean struggle to wrest control of his broken psyche under the most dire circumstances possible." —The New York Times Book Review At his modest home on the edge of town, the former president of an unnamed Latin American country receives a journalist in his famed gardens to discuss his legacy and the dire circumstances that threaten democracy around the globe. Once known as the Poorest President in the World, his reputation is the stuff of myth: a former guerilla who was jailed for inciting revolution before becoming the face of justice, human rights, and selflessness for his nation. Now, as he talks to the journalist, he wonders if he should reveal the strange secret of his imprisonment: while held in brutal solitary confinement, he survived, in part, by discussing revolution, the quest for dignity, and what it means to love a country, with the only creature who ever spoke back—a loud-mouth frog. As engrossing as it is inno-

vative, vivid, moving, and full of wit and humor, *The President and the Frog* explores the resilience of the human spirit and what is possible when danger looms. Ferrying us between a grim jail cell and the president's lush gardens, the tale reaches beyond all borders and invites us to reimagine what it means to lead, to dare, and to dream.

There's a frog on the log in the middle of the bog. A small, green frog on a half-sunk log in the middle of the bog....

Five Frogs on a Log offers readers an entertaining and no-nonsense field guide to the mergers and acquisitions jungle, packed with insight and instruction for executing corporate change and capturing shareholder value. Whether you're buying another company or acquiring a new vision of the future, this book proffers an unconventional perspective and a practical, readily accessible set of solutions to the single greatest challenge facing today's managers: executing rapid transitions in mergers, acquisitions and gut wrenching change.

Colourful and amusing interpretation of this popular rhyme. Turn the dial to make the frogs jump off

the log into the cool pool! Perfect counting fun!

Count the frogs as the jump into and out of the pool.

Frog, Dog, and Pig find ways to share, in this rhyming laugh-out-loud series perfect for beginning readers!
