~~Food in Antiquity: A Survey of the Diet of Early Peoples ...~~

more restricted than that-more of a survey of what is known archaeologically about food and drink in pre-modern times. The book has two great uses. First, for the eternally curious food-lover, it's a wonderful browse. The dryly humorous section on the food value of insects, for example, is enough of a delight to be worth reading aloud.

A world-wide survey of the eating and drinking habits of early peoples, Don and Patricia Brothwell's *Food in Antiquity* covers a broad geographical range, from the early populations of Asia, Sub-Saharan Africa, and the Americas to the more familiar Egyptian, Mesopotamian, Greek, and Roman worlds.

~~Food in antiquity : a survey of the diet of early peoples ...~~

Food in Antiquity: A Survey of the Diet of Early Peoples by Patricia Brothwell (Contributor), Don R. Brothwell I picked up this book thinking that it would be a nice survey-style introduction into the various foods and dishes of the ancient world--especially the Classical Mediterranean, given the mosaic on the cover.

Food in antiquity : a survey of the diet of early peoples. [Don R Brothwell; Patricia Brothwell] -- The authors describe various sources of sustenance (meat, cooking oils, fruits and vegetables, beverages, etc.) in terms of who consumed it, how it was prepared, and how it spread from its region of ...
