How to Trade Forex Market Successfully?

If we just look at males, the successful rate drops to 3.4% (10 out of 290...because 290 of the 300 total traders were males), and a 40% success rate for women (4 out of 10). That's a huge difference. 3.4% success rate for men. 40% success rate for women, but because so few women came to trade, the overall success statistic remains low.
