[PDF] Foundation Of Business 4th Edition

Foundations of Economics is an essential introduction to the subject designed specifically with undergraduate students in mind. The author's highly accessible and engaging writing style is combined with a wealth of questions, examples, reflection points, and

case studies to ensure students fully understand key topics, and are able to develop and apply their knowledge throughout.

The material on ethics and social responsibility is presented early in the text to underscore the importance of business's role in our society. In this context, we define business ethics and discuss the major factors believed to influence the level of ethical behavior in an organization. We also examine several types of ethical issues.
