French B for the IB Di-

ploma Dynamic Learning Whiteboard Edition (ISBN 9781471804212).

In an age of rampant xenophobia and the nativist imperative to undo globalization for a return to a bygone, “purer” age, can patently modern identities indefinitely sustain their messages of inclusion and equality? This volume serves to answer this and other pressing existential questions by tracing the development of the Caymanian people from the colonial era into our modern globalized, multicultural age. The emergence of Caymanian nationalism is extensively analyzed and confirmed as a phenomenon that was preceded by fragmented Caymanian identities informed by issues of race and class. Despite this, the native Caymanian people were able to successfully jettison their race-thinking, and in so doing, began to see themselves as members of a singular nationality. This notion of national and cultural solidarity, as this book details, has become a vexing issue, and is now being duly tested given the astonishing numbers of immigrants in Cayman, many of whom are keen to become Caymanians themselves.

Chemistry for the IB Diploma, Second edition, covers in full the requirements of the

IB syllabus for Chemistry for first examination in 2016. The Second edition of this well-received Coursebook is fully updated for the IB Chemistry syllabus for first examination in 2016, comprehensively covering all requirements.
