3A0ATO - MORGAN CARDENAS

This two-volume study guide has approximately 1,700 questions: 1,400 multiple-choice and true/false questions (approximately 50 per chapter), and almost 300 essay questions (about 10 per chapter). The guide includes definitions of key terms and chapter review questions.

The leading text in the U.S. survey course.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

In conjunction with a ten-year exhibit at the Chicago Historical Society, beginning January 1990.

The leading United States History survey text is now available in a value edition.

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton In-Quizitive for History, the award-winning adaptive quizzing tool. The best-selling Seagull Edition is also available in full color for

the first time.

Edited by Eric Foner and coordinated with each chapter of the text, this companion to Give Me Liberty! includes primary-source documents touching on the theme of American freedom. The freedom theme is explored in the words of well-known historical figures and ordinary Americans. Each document is accompanied by an introductory headnote and study questions.

The leading U.S. history textbook, with a new focus on "Who is an American?"

Give Me Liberty! is the leading textbook in the market because it works in the classroom. A single-author book, Give Me Liberty! offers students a consistent approach, a single narrative voice, and a coherent perspective throughout the text. Threaded through the chronological narrative is the theme of freedom in American history and the significant conflicts over its changing meanings, its limits, and its accessibility to various social and economic groups throughout American history. With the Seagull Edition, students get the full text in a value-edition format: two-color, a selection of the illustrations and maps in the regular edition, and a basic version of the pedagogy. The price is half that of the regular edition, and less than the Brief Edition. --

"Give me liberty," demanded Patrick Henry, "or give me death!" Henry's words continue to echo in American history and that quote, and the speech it comes from, remains one of the two or three known to almost every American. The other speeches that have become part of our American collective consciousness all have one theme in common: liberty. These feats of oration seem to trace the evolution of America's definition of liberty, and to whom it applies. But what exactly is liberty? Give Me Liberty looks at these great speeches and provides the historical context, focusing attention on particular individuals who summed up the issues

of their own day in words that have never been forgotten. Webber gleans lessons from the past centuries that will allow us to continue to strive for the ideals of liberty in the twenty-first century.

Here, in this landmark personal work, Gerry demonstrates how, despite the democratic rhetoric we hear and believe, we have become enslaved. All of us are trapped by a complex web of corporate and governmental behemoths he calls the "New Slave Master" that today controls our airways, educates our children, and manages every facet of our lives. Yet, far from being a pronouncement of gloom, Give Me Liberty! is an inspiring and visionary work. In the spirit of his bestselling *How to Argue and Win Every Time*, Spence expounds on his philosophy, thus empowering us to: Liberate the slave within, redefine success, unchain the spirit, escape the religions of work and beliefs that enslave us, free ourselves with what he calls our "magical weapon." Like Thomas Paine's *Common Sense*, Give Me Liberty! captures the underlying malaise of a country, transforming it into a national dialogue that promises a groundswell for a meaningful democracy in America in the coming years.

The leading text, in a compact, value edition.

An exciting novel for tweens that captures the dawn of the American Revolution. Life is tough for thirteen-year-old Nathaniel Dunn, an indentured servant in colonial Virginia. Then in a twist of luck, he meets Basil, a kind schoolmaster, and an arrangement is struck lending Nathaniel's labor to a Williamsburg carriage maker. Basil introduces Nathaniel to music, books, and philosophies that open his mind to new attitudes about equality. The year is 1775, and as colonists voice their rage over England's taxation, Patrick Henry's words "give me liberty, or give me death" become the sounding call for action. Should Nathaniel and Basil join the fight? What is the meaning of "liberty" in a country reliant on indentured servants and slaves? Nathaniel must face the puzzling choices a

dawning nation lays before him. “Filled with action, well-drawn characters, and a sympathetic understanding of many points of view.” —ALA Booklist

The leading text in a brief, full-color edition. Clear, concise, integrated, and up-to-date, *Give Me Liberty!* is a proven success with teachers and students. Eric Foner pulls the pieces of the past together into a cohesive picture, using the theme of freedom throughout. The Brief Fourth Edition is streamlined and coherent, and features stronger coverage of American religion, a bright four-color design, and a reinforced pedagogical program aimed at fostering effective reading and study skills.

Adopted at over 600 universities, colleges, and schools across the country, Eric Foner's *Give Me Liberty!* is making a difference in the American history survey course.

From the Pulitzer Prize-winning Washington Post reporter David E. Hoffman comes the riveting biography of Oswaldo Payá, a dissident who dared to defy Fidel Castro, inspiring thousands of Cubans to fight for democracy. Oswaldo Payá was seven years old when Fidel Castro seized power in Cuba, promising to create a “free, democratic, and just Cuba.” But Castro instead created an authoritarian regime with little tolerance of free speech or thought. His secret police were trained to crush dissent by East Germany’s ruthless Stasi. Throughout Cuba’s 20th century history, the dream of democracy was often just within reach, only to be dashed by dictatorship and revived again by a new generation. Payá inherited this dream and it became his life’s work. As a teenager in Communist Cuba, he led a protest against the Soviet-led shattering of the Prague Spring. Before long, he was sent to Castro’s forced labor camps. Payá later became a leading voice of opposition and formed a pro-democracy movement. A devoted Catholic, he championed a simple, bedrock belief that rights are bestowed by God, and not the state. Every day, he witnessed these rights trampled in Cuba. He could not stay silent. Payá’s most daring challenge to the Cuban government was the Varela Project, a one-page citizen petition demanding free speech, a free press, freedom of association, freedom of belief, private enterprise, free elections and freedom for political prisoners. More than 35,000 people signed the Varela Project, an extraordinary outpouring of protest—with nothing more than pen and paper—against Castro’s decades of despotism. The regime responded by ignoring the petition, arresting dozens of Payá’s followers and sending

them to prison for many years. After receiving multiple death threats, Payá was killed in a suspicious car wreck on a remote country road. Pulitzer Prize-winning reporter David E. Hoffman returns with an epic portrait of a lone individual who had the courage, faith, and persistence to struggle for democracy against an unforgiving dictator. At its heart, *Give Me Liberty!* is a sweeping account of one country’s tragic and continuing struggle for its freedom.

A noted attorney gives detailed instructions on winning arguments, emphasizing such points as learning to speak with the body, avoiding being blinding by brilliance, and recognizing the power of words as a weapon.

[This text] is a survey of American history from the earliest days of European exploration and conquest of the New World to the dawn of the twenty-first century. It offers students a ... concise narrative whose central theme is the changing contours of American freedom ... Aimed at an audience of undergraduate students with little or no detailed knowledge of American history, [the text] guides readers through the complexities of the subject without overwhelming them with excessive detail. The unifying theme of freedom that runs through the text gives shape to the narrative and integrates the numerous strands that make up the American experience. [This book] places events and personalities in the foreground and is more geared to the structure of the introductory survey course.—Pref.

America is the leading narrative history because students love to read it. Additional coverage of immigration enhances the timeliness of the narrative. New Chapter Opener videos, History Skills Tutorials, and Norton’s adaptive learning tool, InQuizitive, help students develop history skills, engage with the reading, and come to class prepared. What hasn’t changed? Our unmatched affordability. Choose from Full, Brief (15% shorter), or The Essential Learning Edition—featuring fewer chapters and additional pedagogy.

Freedom: a promised land, a battleground, America's cultural bond and fault line. In this penetrating history, Eric Foner describes the concept of freedom, not as a fixed set of inherited ideas, but as something that has evolved through time, being altered or entirely reinvented by the various groups of people who have claimed a right to it. Foner shows how freedom's meaning has been shaped not only in political debates and treatises, but

on plantations and picket lines, in parlors and bedrooms. Its cast of characters ranges from Thomas Jefferson, through Margaret Sanger, to Franklin D. Roosevelt; from former slaves seeking to breathe real meaning into emancipation, to the union organizers and women's rights advocates of our time. B&W Illustrations.

An award-winning historian recounts the history of American liberty through the stories of thirteen essential documents Nationalism is inevitable: It supplies feelings of belonging, identity, and recognition. It binds us to our neighbors and tells us who we are. But increasingly -- from the United States to India, from Russia to Burma -- nationalism is being invoked for unworthy ends: to disdain minorities or to support despots. As a result, nationalism has become to many a dirty word. In *Give Me Liberty!*, award-winning historian and biographer Richard Brookhiser offers up a truer and more inspiring story of American nationalism as it has evolved over four hundred years. He examines America's history through thirteen documents that made the United States a new country in a new world: a free country. We are what we are because of them; we stay true to what we are by staying true to them. Americans have always sought liberty, asked for it, fought for it; every victory has been the fulfillment of old hopes and promises. This is our nationalism, and we should be proud of it.

Celebrated children’s historian Russell Freedman explores the tensions in colonial America that led to the creation of the Declaration of Independence and the birth of a nation. This engaging account delves into the deep-rooted conflicts between the American colonies and the British crown, presenting the Revolution not as a sudden break between distant governments but an inevitable result of building pressure, spurred on by events and guided by the distinct personalities that would become the Founding Fathers. With a strong focus on cause and effect and the actions of important individuals, *Give Me Liberty!* traces the tensions that built up in the 1770s, including the Stamp Act, the Boston Tea Party, and the early battles of the Revolutionary War, culminating in the signing of the Declaration in 1776, and its spread through the new American nation. Illustrated with historical paintings, prints, and document reproductions, Freedman weaves primary sources and contemporaneous accounts into his narrative, making it an immersive and eye-catching resource. Perfect for students of American history, this introduction to the American Revolution also includes a final chapter on how the ideals expressed in the Declaration of

Independence have persisted and evolved through the years, inspiring later generations to seek rights for more and more Americans. Detailed backmatter includes a printed image and full text of the Declaration, a timeline of events, selected bibliography, and index.

In this action-packed history, award-winning author Harlow Giles Unger unfolds the epic story of Patrick Henry, who roused Americans to fight government tyranny—both British and American. Remembered largely for his cry for “liberty or death,” Henry was actually the first (and most colorful) of America's Founding Fathers—first to call Americans to arms against Britain, first to demand a bill of rights, and first to fight the growth of big government after the Revolution. As quick with a rifle as he was with his tongue, Henry was America's greatest orator and courtroom lawyer, who mixed histrionics and hilarity to provoke tears or laughter from judges and jurors alike. Henry's passion for liberty (as well as his very large family), suggested to many Americans that he, not Washington, was the real father of his country. This biography is history at its best, telling a story both human and philosophical. As Unger points out, Henry's words continue to echo across America and inspire millions to fight government intrusion in their daily lives.

#1 NEW YORK TIMES BESTSELLER • A “bracing” (Vox) guide for surviving and resisting America's turn towards authoritarianism, from “a rising public intellectual unafraid to make bold connections between past and present” (The New York Times) “Timothy Snyder reasons with unparalleled clarity, throwing the past and future into sharp relief. He has written the rare kind of book that

can be read in one sitting but will keep you coming back to help regain your bearings.”—Masha Gessen The Founding Fathers tried to protect us from the threat they knew, the tyranny that overcame ancient democracy. Today, our political order faces new threats, not unlike the totalitarianism of the twentieth century. We are no wiser than the Europeans who saw democracy yield to fascism, Nazism, or communism. Our one advantage is that we might learn from their experience. On Tyranny is a call to arms and a guide to resistance, with invaluable ideas for how we can preserve our freedoms in the uncertain years to come.

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. In Give Me Liberty: A Handbook for American Revolutionaries, bestselling author Naomi Wolf illustrates the changes that can take place when ordinary citizens engage in the democratic system the way the founders intended and tells how to use that system, right now, to change your life, your community, and ultimately, the nation. As the practice of democracy becomes a lost art, Americans are increasingly desperate for a restored nation. Many have a general sense that the “system” is in disorder—if not on the road to functional collapse. But though it is easy to identify

our political problems, the solutions are not always as clear. In Give Me Liberty: A Handbook for American Revolutionaries, bestselling author Naomi Wolf illustrates the breathtaking changes that can take place when ordinary citizens engage in the democratic system the way the founders intended and tells how to use that system, right now, to change your life, your community, and ultimately, the nation.

“An impassioned case against a senseless system . . . Come for the cocktail recipes, stay for the call to arms.” —Clay Risen, author of American Whiskey, Bourbon, and Rye “A potent, thought-provoking mixture of fun and ‘what the hell’ awareness.” —Lew Bryson, author of Whiskey Master Class Across this nation, in breweries, liquor stores, bars, and even our own homes, we're being stripped of our most basic boozy rights. Thanks to Prohibition and its 100-year hangover, some of the most outdated, bizarre, and laughably loony laws still on the books today center around alcohol and how we drink it. In New Mexico, \$1 margaritas are illegal. In Utah, cocktails must be mixed behind a barrier called the “Zion curtain.” And forget about happy hour in Massachusetts—the state banned it in 1984. But we don't have to stand down and dry up—it's time to take to liquid protest. Created by the nation's leading alcohol policy expert, Give Me Liberty and Give Me a Drink! combines the thirst-inducing pleasure of trivia with 65 recipes for classic and innovative cocktails. So arm yourself with a mezcal-based One Pint, Two Pint, inspired by Vermont's ban on beer pitchers, or The Boiling Point, a beer cocktail that is highly illegal in Virginia, and get ready to drink your way to a revolution on the rocks.
