This updated second edition of The Granny Square Book features 25 brand new squares, and 25 all-new projects to make. Beginners welcome! Margaret Hubert makes learning to crochet easy. Since it was first published in 2011, The Granny Square Book has instructed and inspired more than 70,000 crocheters to make and create beautiful, stylish projects with these classic motifs. Now designer and author Margaret Hubert has updated her bestselling and beloved book to include 25 additional crochet squares (for a total of 100!) and 25 all-new projects to make, wear, and give. Margaret shows the evolution of the granny square, how it can be used and interpreted in different ways with different yarns, and how today's crocheter can design her own projects using the granny squares of her choice with the yarn choices of today. Among the designs are accessories (headbands, bags, and jewelry); garments (vests, jackets, and tops); and decorative items and gifts (afghans, pillows, and a sweater set for baby). The Granny Square Book, Second Edition, offers crocheters at all skill levels more, and more to love about, this timeless motif.

Presents the basic techniques for crocheting granny squares, along with instructions for one hundred projects that include unique color combinations, embellishments, and eight different types of edgings.

More than 70 contemporary versions come in all shapes, sizes, colors, and textures, and with fabulous finishing ideas.

Granny squares are to crochet what pieced squares are to quilting. They origi-

nated with pioneer women using up precious scraps of yarn to make blankets for their families, and over the years, many recognized, named patterns have been handed down from one generation to the next. Beyond this treasury of 75 different granny square motifs, Margaret Hubert shows the evolution of the granny square, how it can be used and interpreted in different ways with different yarns, and how today's crocheter can design her own projects using the granny squares of her choice with the yarn choices of today. Just as Margaret learned from her grandmother and mother and then passed the skill down to her daughter and granddaughter, each generation finds new uses and artistic ways to interpret granny squares.
