Are racial and gender equality a possibility? This was the question my fifteen-year-old asked me about a month ago. She followed up her question with “After all, racial and gender discrimination have been going on for so long now, despite the hundreds of years long advocacy for gender and racial equality.”

Are Racial & Gender Equality a Possibility? - Voices of ...

The promotion of gender equality and women's voice is a core part of how CARE works everywhere, in fragile and conflict-affected states and least developed countries, as well as in middle income countries or the global North.

Gender equality and women's voice - CARE

“Timeliness and comparability of data over time and across countries, need to be improved, and data disaggregation and dissemination by age, sex, location and other key variables, need to become a priority in order to fully measure and address intersecting inequalities, respond to crises, and ensure gender equality by 2030”, he upheld.

New UN gender study: Women ‘far from having an equal voice ...

A fundamental reason we have not yet achieved gender equality in every realm is that women and girls’ voices are too often excluded from global and national decision-making. When programmes and policies are designed without women’s needs central to their foundation, we’re setting ourselves up to fail.
